GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

5th November 1881, No. 2153.

Treasuries.

Read the following papers :—

From Mr. T. W. BARBOZA, Treasurer, District Treasury, Malabar, dated Calicut, 18th August 1881.

ABSTRACT.—Applying for increase of pay.

No. 3076 [Current No. 2238].

Submitted for the favorable consideration of Government and for transmission to the Government of India as requested.

2. It is hoped that the circumstances of the Government of India, which precluded their acceding to Mr. Barboza's former application, have so far improved as to enable them to sanction the small increase of pay now asked for and so justly and loyally earned.

3. Mr. Barboza has a most responsible appointment for which it will be difficult to secure men on the present inadequate pay.

CALICUT, (Signed) G. McWATTERS,
25th August 1881. *Acting Collector.*

To the Chief Secretary to Government.

Referred for the remarks of the Accountant-General with adverrence to G.O., dated 30th May 1876, No. 706, Revenue Department, and recent changes in Currency Circles.

OOTACAMUND, (Signed) C. G. MASTER,
20th September 1881. *Secy. to Govt., Rev. Dept.*

From H. F. CLOGSTOUN, Esq., Officiating Commissioner of Paper Currency, to the Secretary to Government, Revenue Department, dated Fort St. George, 3rd October 1881, *No.* 1394.

With reference to your endorsement, dated the 20th September 1881, on letter No. 3076, of 25th August 1881, from the Collector of Malabar forwarding, for transmission to the Government of India, a petition from Mr. Barboza, the Huzur Treasurer, for an increase of salary, I have the honor to state that since the submission of the report from this Office, No. 312-A, of 17th May 1876, Mr. Barboza's responsibilities have been increased by the addition of a depot for small coin to the Currency Office at Calicut, while the work of the Currency Department has in no way decreased. The abolition of the Cocanada Currency Circle is not likely to affect the Calicut Office, as that Circle has not been enlarged or reduced by the recent changes.

2. I may remark that, as Calicut is now the only sub-circle of issue in this Presidency, the existing orders* of Government for the reduction of the salary of the Cash-keeper at Cocanada may be carried out on the occurrence of a vacancy.

* No. 1939 of 26th August 1867, Revenue.

FROM

THE HON. R. DAVIDSON, C.S.I.,
Chief Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

In Mr. Barbour's letter, dated the 7th August 1876, No. 2055, it was intimated that the Governor-General in Council was unable, under existing circumstances, to sanction an increase of pay to Mr. Barboza, Treasurer in the Malabar District. In forwarding a memorial from this officer, I am now to renew the recommendation on his behalf, and to express a hope that there may now be nothing to stand in the way of the grant of the increase sought. It will be seen from the report, dated 3rd October 1881, from the Commissioner of Paper Currency, printed with the enclosed Proceedings, No. 2153, dated 5th instant, that Mr. Barboza's responsibilities are greater and his duties more onerous than when his case was last submitted for consideration in 1876. They are not adequately remunerated, this Government consider, by a salary of Rs. 100 monthly.

I have the honor to be,
Sir,
Your most obedient servant,

R. DAVIDSON,
Chief Secretary.

Sir,

With reference to your endorsement noted in the margin, dated the 20th September 1881 on letter No. 2306 of 25th August 1881 from the Collector of Malabar forwarding for transmission to the Government of India a petition from Mr Barbezat the Huzoor Sheristadar praying for an increase of salary, I have the honor to state that since the submission of the report from this office No. 312 of 17th August 1881, Mr Barbezat's responsibilities have been increased by the addition of a Deposit for Unsell Coin to the Currency office at Calicut, while the work of the Currency Department has in no way decreased. The abolition of the Coromandel Currency Circle is not likely to affect the Calicut office, as that Circle cannot have enlarged or reduced by the recent changes.

2. I may remark that as Calicut is

3 now the only Sub Circle of Ejaca in this Prae-

To His Excellency
The Most Honorable
The Marquess
Viceroy and Governor General of
India
in Council.

The humble Memorial of Horatio
Lord William Bentinck Baron of
the Orbital Treasury, Aberdeen.

Most respectfully Sheweth

That your Memorialist
humbly ventures to submit the following
facts and circumstances connected with
his case to your Excellency in Council,
in the fervent hope that your Excellency
will be graciously pleased to bestow
favourable consideration on them.

2. That your Memorialist
is an old and faithful servant
of Government having been in the
Public Service since the year 1853,
that he began life with a pay of

Rs

Rupees 17½ and is now in receipt of Rupees 100 per mensem as Treasurer of the District Treasury at Cuttack.

3. That after his appointment to his present post the duties attached to it gradually increased to such an extent, and the charge was rendered so heavy and onerous, that you Memorialist found that his pay was quite inadequate to the work and responsibility which devolved upon him; and he was induced in 1876 to represent the case to the Board of Revenue Madras, and to pray that the pay of the appointment be assimilated to that at Berhampore, where the Treasurer draws Rupees 1250 per mensem, although the work there, both in the Treasury and Stamp Department, hardly admits of a comparison with that in the Cuttack Treasury.

That an extension of the

4. increasing work in the Treasury can well be formed from the fact that whereas in 1852 the sales of Stamps amounted in value to only Rupees 16,000, at present the Stamp

Revenue

Revenue of the District has risen to more than Rupees 12,00,000 per annum, and is the highest in the Presidency excepting that of Cuddapah and Nellore. The Stock of Stamps that has, in consequence, to be maintained in the Treasury, can easily be imagined.

Statement of the highest value of Stamps in the Treasury?

Stamps of all descriptions Rupees 11,40,337
Currency Notes 3,25,000
Coin 34,000
Total Rupees 14,99,337
Cash 27,000
Small Stamps 9,000, could hardly be required to make good Embezzlement
Total available resources Rupees 36,000

5. That while by rule all Treasurers are regulated, in respect to the values of the officers concerned,

The Board strongly recommend that the application for increased pay be acceded to. He is a valuable public servant and the duties of his post are very onerous.

6. That the Board of Revenue, impressed with the responsibility of the Memorialist's charge, submitted the Memorialist's application to the Madras Government, with the most favourable recommendation, and the Government, adopting in the officers entertained by the Board, made an application on Memorialist's behalf to the Government of India - but to Memorialist's great disappointment

Etc.

the Government of India, owing to an alteration best presumed, fundated exigencies experienced at the time regretted they were unable to entertain the increase applied for.

7. That your Memorialist begs to enclose copies of the orders passed on that occasion.

8. That since 1876, Memorialist's charge has been steadily increasing, a Silver Sub-depot for copper and small Currency been opened in that Treasury, which accounts, has considerably augmented Memorialist's work and responsibility.

9. That your Memorialist, with much regret, begs to submit for your Excellency's Consideration, that although all his Superiors, without a single exception, have recorded the most favorable opinions of Memorialist's services, as will be seen from the annexed copies of testimonials, Memorialist has never yet been able to raise from that position - his exceptional services, attainments, and abilities in the way of his promotion.

This is a hardship which Memorialist keenly feels, the more, especially, when he sees his contemporaries and juniors in office holding to the said appointments and being comfortably disposed of in life, while your Memorialist is overpressed by the claims of bestowing his circumstances, and thus retaining his mind on his future provision.

10. That Memorialist would most earnestly plead for higher offices under Government, and that to attain to the appointment of Comptroller and Accountant, or even to that of Deputy Accountant, he is willing to relinquish his present office of Assistant,

11. That in proof of Memorialist's aptitude for other than Treasury work he takes the liberty to mention that his Superior, Mr. A. Hatton, put your Memorialist to an exceptional test by nominating him to a higher appointment, and the manner in which he discharged the duties appertaining to it, will be seen from the annexed testimonial granted to Memorialist.

12. That encouraged by the hope that your Excellency is ever ready to appreciate good and faithful

faithful services to Government, by being more liberally disposed towards those, who occupy positions of trust and responsibility, I do memorialist respectfully entreat your Excellency in Council will be pleased once more to reconsider the recommendation made on his behalf by the Honble Court and to sanction such increase being made to his pay, as may, in your wisdom, be thought adequate for the performance of the duties attached to the post he has to perform.

That having served the Honble Company for upwards of 30 years, memorialist humbly conceives he has a fair claim to be allowed the salary attached to the post he now holds, due forbearance and consideration being had to the above statement, and memorialist as in duty bound will ever pray.

(Signed) J. M. Barboza.

FORWARDED, through the Commissioner of Paper Currency and Accountant-General, to the Board of Revenue for favorable consideration and with reference to my predecessor's letter, No. 31, dated 30th January 1875, and Board's Proceedings, Miscellaneous No. 1,588, dated 26th February 1875. The memorialist has a most onerous and increasingly heavy charge, and I can fully endorse my predecessor's opinion of the way in which he discharges the duties of his post. Men of his stamp are not easy to find, and I think that when one is found he should be well paid.

No. 312-A. No. 121.

THE undersigned has the honor to state that the Treasurers at the other stations where currency circles existed (Vizagapatam and Trichinopoly) still draw Rs. 125 per mensem. The increase of transactions and responsibility at Calicut has been very

great. A short time ago the amount of notes in stock was close upon $42\frac{3}{4}$ lakhs. The financial result and possible effect of complying with Mr. Barboza's request will be that the salary of the Treasurer at Cocanada (now the only other sub-circle of issue) may have to be continued at its present rate, Rs. 125, in place of being reduced on occurrence of next vacancy, as it would be under existing orders.

If the pay of Mr. Barboza be increased, the Government of India's confirmation to the same must be requested.
