GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Fort St. George, 1st November 1881, No. 2190.

Salaries.

Read the following papers :—

From E. [illegible], Esq., Secretary to the Civil Fund, to the Chief Secretary to Government, dated Madras, 17th September 1881 [*Current No.* 2602].

I am directed by the Trustees of the Civil Fund to forward copy of a letter addressed to them by the Hon. T. C. Jones, objecting to the action of the Accountant-General in refusing to credit the Civil Fund his subscription on account of 4 per cent. [illegible] drawn by him. The Accountant General has been guided by the decision of Government communicated in the Government Order noted in the margin, but as the Trustees have not considered that the procedure in regard to this matter differs in the several presidencies, they desire that the Government may be moved to address the Government of India upon the subject, as it appears desirable that uniformity of practice should prevail.

2. In Bombay the contributions appear to be paid upon the salaries of Members of Council and Judges on the full amount, and therefore of the 4 per cent. now deducted before the warrants are issued. In Bombay and in this Presidency the practice now is to calculate the Fund's subscription upon the salaries exclusive of that deduction, with the result that loss is entailed on the Funds.

Enclosure No. 1.

From the Hon. T. C. JONES, Madras Civil Service, and a Trustee of the Madras Civil Fund, to the Secretary, Civil Fund, dated Madras, 14th April 1881.

I am one of the trustees appointed by the Secretary of State which have been construed by the Accountant-General as reducing my salary to Rs. 2,600. That of Mr. Justice Kindersley is also reduced, I believe.

2. Under Rule 6 of the Fund I understand the 2½ per cent. to be deducted from my salary is to be calculated on the reduced amount, the Fund on the reduced sum whereby the Fund is a loser of Rs. 5-3-0 monthly in my salary.

3. Under the provisions of Section 6 of the 24 and 25 Vic., Cap. 104, the Secretary of State for India, through the Council, is empowered to alter from time to time the salaries of the Judges of the High Court, as established by Charter, so that the salary of Judges already appointed.

4. I have been told by the Accountant-General that as the law stands my salary is Rs. 3,750 and that the 2½ per cent. should be assessed upon that sum; but the latter considers himself bound by the orders of the Secretary of State, or the interpretation put upon those orders by the Government, and reduces my salary to Rs. 3,750. In these circumstances I find it necessary to apply to the body of the Trustees to enable me to pay the amount correctly payable without [illegible] to me.

5. I am at present under the pay in the difference about levied, but I feel that I ought not to be subjected to this [illegible] inconvenience of having myself to make these payments [illegible] duty it is to make the deductions should be required by the Government. The Trustees are assessed upon the *actual* salaries, and that the Fund is put to loss by any action on the part of the Government or other which is legally unobjectionable, a point on which the Trustees cannot, without an alteration of Rule 6 of the Fund, [illegible] Officer from the duty of assessing the percentage upon any certain [illegible].

If the alteration is intended to [illegible] case that such an alteration [illegible] the case of any salary and that [illegible] prohibited by law, and tends to prejudice the [illegible] moves the Government on the subject; and as a [illegible] of the petitioner of the seat ought not to restrain them from [illegible] from suffering a loss.
