ANNUAL MEETING OF MEMBERS.

WILLIAM L. B. DE LA PIERRE,

1867-1868

Read the following papers:

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, Jaded Madras, Per. 10000, 1861, No. 188. (Correspondence No. 5123.)

On the recommendation of the late Inspector-General of Registration, the Government, in their Order, No. 806, dated the 13th April 1873, approved and sanctioned the rates marginally noted for the binding of blank volumes of registers, and the work until now has been done by a native contractor in Black Town. 2. Each volume of Books 1 and 2 ~~shall~~ ^{will} be 100 pages. Every page is printed in conformity with the form given in Appendix I of the Registration Rules.

3. The printing of the pages is done at the Emmentary Press, from whence the unbound volumes are sent to my office, 17, The Mount Road. They are then sent on to the contractor in Black Horse Road and when bound are returned to my office for despatch to the Registrars in the process.

4. All this sending to and receiving from the printer, the printing, doing the binding also, at the rates at which the work is done by a competent printer, and that proper materials will be used and that the work will be done under the best supervision, by the Department Press, which makes any probability be higher than that there will be the guarantee that it will be well and carefully done.

5. I placed myself in correspondence with the Superintendent of the Government Printing Press, and it will be seen from that letter to Superintendent, No. 739, dated 27th October 1881, that he is prepared to undertake the printing of the registers for the year 1882-83, at the rate of Rs. 2,500 per annum, if the sum of Rs. 2,500 provided

be transferred to the credit of the Government Budget.

5. The Superintendent had an opportunity of inspecting the book and of judging that it was not equal to what can be turned out at the Penitentiary Press. No contract appears to have been entered into with the native contractor, and there is the appearance of an undue inducement to the arrangement I am about to propose being carried out.

7. My proposal is to transfer a sum of \$2,000 from my Budget Estimate, I, Miscellaneous, (b), (3), to the Budget for printing and binding of all registers, books and forms required by the Registration Department being done by the Penitentiary.

ORDER IN COUNCIL, 1881, Number 1881, No. 2260.

The proposed transfer of Rs. 2,000 from the Budget of the Registration Department to that of the Government Press Department for 1882-83 is sanctioned. The Budget Estimate of Charges of the Registration Department* will then be Rupees 2,00,000 and that for Printing† Rupees 2,00,200.

To

E. Kay's Esqre

Superintendent, Government Press,

Fort St George.

Sir,

In my Budget Estimate for the year 1882-83 I have provided Rs. 2000 for binding registers &c. required for the use of the several registration offices in Madras and in the provinces and Rs. 800 for packing and carriage.

2. The binding of the registers &c. is now done by a native contractor at the rates specified in the enclosed Proceedings of the Government No. 866 dated 26 April 1878; and the books are packed and sent out from my office.

3. I have the honor to inquire whether as all the forms & registers &c. are printed at the Printing Press you could not have them bound there and despatched direct to the Registrar of each

distributed in accordance with the instructions
which will be furnished to you.

4. If you could arrange
to do so, I shall apply to the Government
to have the allotments above mentioned
transferred to the credit of your Budget.

5. It would be well perhaps
before you determine what to do, to call
at the Western Car Ret any morning
at 11 o'clock and see the state of Registers
in hand for despatch, and form some idea
of what would have to be done.

No. 788.

From,

George Samuel Hooper Esq.
Inspector General of Registration
Madras,

To,

The Honorable R. Davidson C.S.I.
Chief Secretary to Government,
Fort St George,

Dated Madras, 7th November 1881.

Honorable Sir,

On the recommendation of the late
Inspector General of Registration, the
Government in their order No. 866 dated
the 25th April 1878 approved and sanctioned
the rates marginally noted for the binding
of blank volumes of registers and the
work until now has been done by a native
contractor in Black Town. I am not
satisfied with the arrangement.

2. Each volume of Books
I and IV, contains 500 pages. Every
page is printed in conformity with

Royal Singh at P. 2.0.
Medium at 12.0
Book at 8.0

GO (Encl) 2260/81

In p. 2. 3122/81

Reform given in Appendix I of the Regulations
Rules.

3. The printing of the pages is
done at the Penitentiary Press, from
whence the unbound volumes are sent
to my office now on the Mount Road.
They are then sent on to the contractor in
Black Town, and, when bound, are returned
to my office for despatch to the Registrars
in the provinces.

4. All this sending bound &c
may be avoided by the Penitentiary Press,
which does the printing, doing the binding
also. The charge may probably be higher
than the rates at which the work is done
by a contractor, but there will be the
guarantee that proper materials will be
used and that the work will be well
and carefully done under European
supervision.

5. I placed myself in
correspondence with the Superintendent

Letter to Secy. to Govt. No 749
7/27/82 at Calcutta
Received by Secy. to Govt.
9/1/82 at Calcutta

of the Government Press, and it will be
seen from that officer's reply that he is
prepared to undertake the binding of the
Registers for 1882-83 if the sum of Rs.
2,000 provided in my Budget Estimate
for the purpose be transferred to the credit
of the Government Press Budget. 2280

6. The Superintendent had
an opportunity last Saturday of inspecting
the stock of bound volumes, and of judging
that the binding was not equal to what
can be turned out at the Penitentiary
Press. No contract appears to have
been entered into with the native contractor,
and there is thus no let or hindrance to
the arrangement I am about to propose
being carried out.

7. My proposal is to transfer
a sum of Rs 2,000 from my Budget
Estimate I. Miscellaneous (b) (3) to
the Budget Estimate of the Government
Press, and to the printing and binding

of all Registers, books and files required
by the Registration Department being
done by the Penitentiary Press.

8. And for the reasons stated
I have the honor to request that you will
be pleased to obtain the sanction of the
Government to this proposal being
carried out from the 1st April 1882.

I have the honor to be,

Respectfully,

Your most obedient servant,

W. A. Hammett
Inspector General of Registration.
