Read the following papers:—

At a Meeting of the Municipal Commissioners of Cocanada held at their Office on Wednesday the 28th September 1881 [*Current No.* 2908].

PRESENT.

* * * * *

20. Read G.O., 31st August 1881, No. 1610, that the Hospital Assistant attached to the Municipal Dispensary at Cocanada is entitled to nothing beyond his grade pay. The Commissioners desire to bring to the notice of the Government that it will be hard to the Hospital Assistant, Mr. A. Paul, if the order of the Government to retrench his salary be carried out. The fault, if any, lies with the Commissioners for having paid him the increased salary without the special sanction of the Government, though they were under the impression that it had been sanctioned in the budget of the Municipality for 1881-82. The Commissioners therefore hope that the Government will be pleased to sanction the increase that has already been paid to Hospital Assistant Paul and to withdraw the retrenchment. Of course the pay of Mr. Paul in future will not be more than Rs. 60 per month.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 8th November 1881, *No.* 4390 [*Current No.* 3105].

With reference to your endorsement, No. 1727, dated the 26th October 1881, I have the honor to state that the grant of the extra allowance to Hospital Assistant Paul would be opposed to the orders of the Government of India (*vide* Financial Department Resolution, No. 1076, dated 22nd June 1876), and that therefore if Government desire, under the special circumstances of the case, to pass the amount already overdrawn, the sanction of the Government of India will be necessary.

No. 2274.

FROM

THE HON. R. DAVIDSON, C.S.I.,
Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

I am directed to forward, for the information of the Government of India, copies of the Proceedings of this Government marginally noted, and to request that, under the circumstances stated below, their sanction be obtained for the withdrawal of the retrenchment made by the Accountant-General in the pay of the Hospital Assistant attached to the Municipal Dispensary at Cocanada, as a special case.

G.O., 31st August 1881, No. 1610.
G.O., 19th November 1881, No. 2273.

2. The Hospital Assistant drew the pay of his grade (Rs. 60) till January 1880, when the Ellore Local Fund Board offered him a salary of Rs. 100 in view to secure his services for their own hospital. The Cocanada Municipal Commissioners, not wishing to part with him, raised his pay to Rs. 100. The Hospital Assistant was accordingly paid the higher rate of salary and the authority of Government to the charge was presumed in consequence of its having been included in the Municipal Budget passed by Government. The Accountant-General, however, pointed out that the increase was inadmissible under the Orders of the Government of India, No. 1670, of 22nd June 1876, and this Government disallowed it by G.O., 31st August 1881, No. 1610. The Commissioners now represent that, although they are prepared to abide by this decision in future, it will be very hard on the Hospital Assistant to have to repay the amount he has actually drawn with their sanction in excess of his grade pay. This Government concur in the view expressed by the Commissioners; but, as the Accountant-General cannot pass the amount already overdrawn without the sanction of the Government of India, I am directed to make the present application.

I have the honor to be,
Sir,
Your most obedient servant,
