GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

23rd November 1881, No. 2292.

Municipal—Medical.

Read the following papers :—

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 21st October 1881, *No. J.A.C.G.-84* [*Current No.* 2914].

Treasury Account Department.

I have the honor to report, for the orders of Government, that a sum of 580-13-8, being the value of medicines supplied to the Cannanore Municipality by the Medical Storekeeper in March 1880, has not yet been recovered from the Municipality, and that the Collector who was moved to effect the recovery states in reply that "the amount has not yet been paid by the Municipality for want of funds." The amount is outstanding in the books of this office for more than eighteen months, and I trust that Government will take serious notice of this case.

No. 1714.

Referred to the Collector of Malabar for report.

(Signed) R. DAVIDSON,
Chief Secretary.

26*th October* 1881.

From G. McWATTERS, Esq., President of the Municipal Commissions, Malabar District, to the Chief Secretary to Government, dated Calicut, 10th November 1881, *No.* 375 [*Current No.* 3150].

With reference to your endorsement, No. 1714, dated 26th October, on the Accountant-General's letter, No. J.A.C.G.-84, dated 21st October last, I have the honor to state that the Municipality of Cannanore has hitherto been unable to fully meet its liabilities (the 580 rupees and odd for medicines referred to by the Accountant-General included) as Government have not been able yet to adjust the balance of nearly 6,000 rupees, as noted below, due to the Municipality pending a reply to a communication to the Government of India (*vide* G.O., No. 2031, dated 29th October 1881) on my letter stating the full circumstances of the Municipality :—

	Rs.	A.	P.
House Tax, at 6 per cent., for 1880-81	2,371	3	10
Animals and Carriage Tax, 1880-81	445	0	0
Tax due by Military Officers on account of their carriages and animals for 1880-81	100	0	0

Tax due by Military Officers on account of their carriages and animals for 1881-82	2,916	3	10
Grand Total ..	5,832	7	8
or nearly ..	6,000	0	0

ORDER THEREON, 23rd November 1881, No. 2292.

The excuse offered by the Cannanore Municipality cannot be accepted, seeing that in G.O., 29th October 1881, No. 2081, Government have already consented to suspend their claim on the Municipality for arrears of Police contribution, pending the settlement of the question of compensation under Act XI of 1881. These arrears amounted on the 30th June 1881 to Rs. 5,930-0-8, or about one hundred rupees more than the Municipality hope to obtain from Government as compensation for the past and current years. They have probably continued to accumulate since that date.

2. As the Municipal Commissioners do not think fit to pay their debt to the Medical Stores, the supply to them of medicines must be discontinued.

3. It is observed that there is nothing legally *due* at present by Government to the Cannanore Municipality. The Order of the Government of India embodied in G.O., 14th May 1880, No. 990, exempting certain persons and property from Municipal taxation, is in strict accordance with Section 24 of Act III of 1880 (The Cantonments Act), an Act in which no provision is made for the grant of compensation in such cases.

4. Act XI of 1881 has not yet been applied as required by its terms, and until it is so applied no claims for compensation as actually *due* can arise.
