From

W. L. Foster Esquire
President, Municipal Commissioners
Godavari District.

To

The Honorable R. Davidson C.S.I.
Chief Secretary to Government
Fort St. George.

Sir,

At a meeting of the Municipal Commissioners held at Cocanada on the 31st of October last, it was decided to ask Government to sanction a bye law to the following effect.

No resolution that has not been passed more than 6 months before can be altered except at a meeting specially convened to consider it.

If any proposal is made which, if carried would appear to the President or Vice President or any three Commissioners to alter any such resolution, he or they, may require the Consideration of it to be post-poned for a special meeting. If such pro-posal is carried, and it appears to the

President or Vice President to alter a former resolution passed not more than 6 months before, the last resolution shall not be carried out till a special meeting (which shall be convened within 30 days from the date of the resolution but not less than 15 days after notice) shall have considered it. and a special meeting shall also be called to consider such question on the requisition of any three members made before the last resolution has been carried into effect, or the minutes of the meeting confirmed. Such meeting to be called within 30 days from the lodging of the requisition and not less than 15 days after the notice convening the meeting.

2. I think that a bye law of this kind is necessary, because, it has occurred that resolutions passed at one meeting are brought up again at the next meeting or very soon after and cancelled or altered. The proposed bye law would allow a resolution to remain for 6 months unless cancelled by a meeting specially convened for the purpose
