GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

24th December 1881, No. 2511.

Budget Estimate.

Read the following paper:—

From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 15th December 1881, No. 254 [Current No. 3488].

I have the honor to submit the Convict Labor Fund Budget Estimate for the year 1882-83.

2. As directed in paragraph 6 of Memorandum, No. 672, dated 27th February 1880, two separate estimates have been prepared—one for the works to be executed by the Public Works Department, the other for works to be carried out by the Jail Department with the aid of convict labor under the supervision of the Superintendents of Jails.

				RS.	3. The receipts for the Convict Labor Fund for the year 1882-83 have been estimated at Rs. 67,000; this income has been based with reference to the approximate receipts of the year 1880-81 and the actual receipts for the past six months of the current year.
Actuals	..	{	1878-79	80,995	
			1879-80	74,413	
			1880-81	66,749	
Estimates	..	{	1881-82	87,500	
			1882-83	67,000	

				RS.	4. The estimated charges on account of the several works to be carried out by the Public Works Department, as well as those to be executed by the Jail Department, amount to Rs. 1,94,060.
Actuals	..	{	1878-79	44,869	
			1879-80	17,970	
			1880-81	21,580	
Estimates	..	{	1881-82	47,214	
			1882-83	1,94,060	

5. The works to be carried out by the Public Works Department inclusive of 25 per cent. on account of Public Works Supervision and two-and-a-half per cent. for Tools and Plant amount to Rs. 1,04,115.

6. The estimate for works to be executed by the Jail Department inclusive of Rs. 20,000 reserved for minor works each under Rs. 2,500 amounts to Rs. 89,945, on which sum charges for supervision have not been allowed as the amount is to be entirely spent through the Jail Department irrespective of Public Works Supervision.

7. It will be noticed from the enclosed statement of receipts and charges on account of the Convict Labor Fund for the year 1880-81 received from the Accountant-General that the Fund closed on the 31st March 1881 with a balance of Rs. 1,37,712-13-0 to credit.

ORDER THEREON, 24th December 1881, No. 2511.

				RS.	The Budget Estimate of receipts of the Convict Labor Fund for 1882-83 amounts to Rs. 67,000 and is based on the actuals of 1880-81 and those of the past six months of the current year.

2. The estimate of charges, amounting to Rs. 1,94,060, provides for seven works to be executed by the Public Works Department at a cost of Rs. 81,659,* eleven works to be carried out departmentally at a cost of Rs. 69,945, and a reserve of Rs. 20,000 for minor works.

4. It is observed that the balance in hand to the credit of the fund on the 31st March 1881 amounted to Rs. 1,37,712, and the account will apparently stand as shown in the margin. The Inspector-General should have exhibited this clearly in his letter, and should have submitted a regular estimate for the current year.
