Budget Estimates—Medical.

Read the following papers :—

No. 79. From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 20th December 1880, No. 558.

In submitting the marginally-noted correspondence, I have the honor to solicit the orders of His Excellency the Governor in Council as to whether the provision for charges connected with the Dispensaries at Secunderabad, Kamptee, and Mercara should be continued in the Provincial Medical Budget Estimates of future years.

2. The allotment for the institutions in question was hitherto made in accordance with paragraph 8 of G.O., No. 32, of 15th January 1872, Financial Department.

ENCLOSURE No. 1.

From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Accountant-General, dated Fort St. George, 15th November 1880, No. 6299.

I have the honor to request favor of information as to whether the charges of the marginally-noted three Dispensaries, provided under the heading* "Hospitals and Dispensaries" of the Provincial Budget Estimate "Medical," are brought in your office accounts, and if not, whether it is necessary that the provision should be continued.

Mercara.
Secunderabad.
Kamptee.

* Paragraph 8 of G.O., No. 32, of 15th January 1872, Financial Department.

From W. DONALD, Esq., Officiating Accountant-General, to the Surgeon-General with the Government of Madras, dated Fort St. George, 16th December 1880, No. 4759.

Budget Department.

With reference to your letter, No. 6299, dated the 15th November 1880, I have the honor to state that the charges on account of the Dispensaries at Secunderabad, Kamptee, and Mercara do not appear in the accounts of this office. The charge of the Secunderabad Dispensary was, prior to 1877-78, adjusted in the books of this office by credit to the Government of India. There is no record here of the charges on account of the other two Dispensaries.

2. As the Imperial assignment to Provincial Services on account of Hospitals and Dispensaries, based on the estimates of 1870-71, includes the sums noted in the margin on account of the abovementioned three Dispensaries, I think it necessary that you should point out to Government the absence of charges on the above account, in view to their effecting the necessary alteration in the Provincial assignment.

No. 80. From A. C. TUPP, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 15th February 1881, No. 610.

Budget Department.

With reference to your official memorandum, No. 77, dated the 14th January 1881, I have the honor to state that a sum of Rs. 1,392* has been debited against Provincial Services—Medical—in each year from 1872-73 to 1876-77 on account of the Dispensary at Secunderabad. The charge for 1871-72 is not traceable, but it is probably the same amount.

2. As regards the two other Dispensaries, the charges do not appear in the accounts of this office, as remarked in paragraph 1 of my letter to the Surgeon-General, dated the 16th December 1880. Kamptee being a Military station, the charge has probably merged into the Military charges of this Presidency, while, in the case of Mercara, it must have been borne in the accounts of the Government of India.

No. 81.

ORDER THEREON, 25th February 1881, No. 335.

The provision for charges connected with the Dispensaries at Secunderabad, Kamptee, and Mercara will, from April 1st, 1881, be excluded from the Provincial Medical Budget Estimate, and the Government of India requested to reduce the Imperial assignment for Provincial Services by Rs. 2,140, as shown in the margin.
