GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

17th March 1881, No. 460.

Municipal—Budgets.

Read the following papers :—

No. 83. *From G. McWATTERS, Esq., President of the Municipal Commissions, Malabar, to the Chief Secretary to Government, dated Calicut, 20th October 1880, No. 186 [Current No. 2779].*

In accordance with paragraph 5 of my letter, No. 5, dated 14th May 1878, I have the honor to submit, for the sanction of Government, the revised bye-laws received from the Vice-President of the Tellicherry Municipality.

2. It will be observed that the selection of the bye-laws has been made with reference to paragraph 4 of G.O. No. 2942, dated 21st December 1877, and that the Commissioners have adopted all the bye-laws circulated therewith, although Nos. 61 to 68 corresponding with Nos. 37 to 44 in the Government list are inapplicable at present to the Municipality, and unless for the sake of completeness there is no object in retaining them. Bye-law No. 26 is based on No. 23 in page 9 of G.O., No. 1251, dated 17th July 1876.

3. Bye-laws Nos. 27 to 44 are not included in the list circulated by Government, but they were submitted to Government by Mr. Logan on a previous occasion, and they are considered necessary by the Commissioners for the proper conservancy of the fishing villages.

4. With reference to paragraph 5 of the Government Order a list of those bye-laws relating to licenses are given in a separate list appended.

ENCLOSURE No. 1.

REVISED BYE-LAWS—TELLICHERRY MUNICIPALITY.

CONDUCT OF MUNICIPAL EMPLOYEES—SECTIONS 22 TO 28.

APPENDIX A.
G.O., No. 2942,
dated 21st December
1877.

1. Every Inspector of a Municipal Division shall reside within its limits and shall exercise a proper supervision over all the scavengers, lamp-lighters, and other inferior municipal servants employed therein. He shall keep a diary in which it shall be his duty to enter daily all matters which come to his knowledge calling for notice, and shall submit it every week to the Vice-President for perusal and orders. He shall be responsible for the state of the roads and streets, latrines, lamps, dust-bins and other municipal property in his division, and it shall be his duty to see that each and all are kept in proper repair, and shall generally enforce the municipal law within his division, and shall conduct all prosecutions ordered.

Do.

2. Every cart-stand or public halting-place shall be daily inspected by the Inspector of the Division where it is situated, and its condition noted in his diary.

TIME AND MODE OF COLLECTING RATES AND TAXES—SECTIONS 38 TO 37.

Do.

3. The owners of carriages let for hire and carts shall produce them at the Municipal Commissioner's Office, if required, to be numbered and stamped.

APPENDIX A.
G.O., No. 2942, dated
21st December 1877.

4. All carts or other wheeled vehicles without springs, registered under Sections 73 and 74 of Act III of 1871, shall have the registration number-plate nailed to the rear of the axle-tree.

Do. 5. No cart registered within the limits of the Municipality shall be exempt from payment of tolls, unless it shall have been branded or painted by the Commissioners with a number and mark prescribed by the Commissioners, or unless the registration ticket issued by the Commissioners shall be produced.

Do. 6. Toll-keepers are authorised, under Section 66 of Act III of 1871, to demand the production of licenses from persons passing the gates under color of a license.

Do. 7. No toll-collector shall collect less than the authorised charge.

Do. 8. The toll-contractor shall on demand furnish to the Commissioners a list of the names of the toll-collectors appointed by him to receive the tolls at each gate, and should he find it necessary to substitute other persons in lieu of those entered in the list aforesaid, the change is to be at once notified to the Commissioners.

Do. 9. The toll-contractor shall furnish to each toll-collector a sanad authorising him to levy tolls at the gate therein specified, and each toll-collector shall be bound to produce such sanad as his authority for levying tolls when called upon to do so. Any person levying tolls without being authorised as above described will be liable to prosecution under Section 83 of Act III of 1871.

Do. 10. No vehicle or animal liable to toll shall be detained at any gate for a longer time than is necessary to collect such toll, and it shall be allowed to pass immediately on payment. The toll-collector shall thereupon promptly furnish a ticket. Such ticket shall give free passage in respect of the vehicle or animal for which it was issued for the time prescribed by Section 78, viz., twenty-four hours, counted from midnight to midnight.

Do. 11. On no pretence whatever is any animal or vehicle leaving municipal limits to be detained or the owners required to show tickets.

Do. 12. No ticket shall be issued in any form other than that prescribed by the Commissioners. These tickets will be supplied by the Commissioners at cost price and the contractor will not be allowed to use any others.

Do. 13. The toll-contractor and the toll-collectors appointed by him shall strictly observe the provisions of Sections 78, 79, 80, 81, and 82 of Act III of 1871, for their information and guidance.

Do. 14. The fee payable for every notice of demand issued under Section 52 shall be 4 annas for sums below Rs. 5 and 8 annas for sums of Rs. 5 and more.

Do. 15. The fee for the registration of carts and other vehicles without springs (Section 75) shall be Re. 1 for each registration.

Do. 16. The fee for renewing cart registration, number or licenses on animals, if lost or destroyed, shall be Annas 2.

Do. 17. The fee for the registration of transfer (Section 75) shall be 4 annas.

No. 19.

18. No carriage, horse or other animal for which tax has been paid in this Municipality shall be taxed (required to pay) a second time in (to) this Municipality in the same half-year on changing ownership.

19. Any cart which shall have been registered under Section 75 of the Towns Improvement Act for any half-year within another Municipality shall, if it is transferred to the Tellicherry Municipality within that half-year, be exempt from being registered a second time for the same period in the latter Municipality, provided it is the property of the original license-holder.

20. All authenticated copies of original registration or licenses shall be given on the payment of a fee of 4 annas for each such copy.

REGISTRATION OF BIRTHS AND DEATHS—SECTIONS 88 TO 95.

APPENDIX A. 21. Every Inspector of a division shall be a Registrar of Births and Deaths for his division, and shall report weekly all births and deaths registered by him to the Registrar at the Municipal Office.

DEPOSIT AND REMOVAL OF FILTH, THE COMMISSION OF NUISANCES, FILTHY HOUSES, LATRINES AND PRIVATE PRIVIES—SECTIONS 96 TO 107.

Do. 22. All owners or occupiers of houses or enclosed yards shall keep all drains and water channels in or about their premises free from obstruction of every kind, and remove all evident causes of malaria, such as night soil, dung or other filth and all noxious vegetation, and deposit them in collected heaps at such points only of the roads or streets as the Commissioners may fix by not later than 7 A.M. daily.

Do. 23. No person shall put on any wall or any roof of a house, or on any bank or tree, adjoining any public road, any preparation of dung to be used as fuel or for any other purpose.

Do. 24. No person shall carry night soil through the street, except between the hours of 4 and 6 A.M., or otherwise than in closely-covered receptacles, or use any place other than those approved by the Commissioners for the purpose of depositing such night soil.

Do. 25. All dust, dirt, and rubbish of every kind, the removal of which is undertaken by the Municipal Commissioners, shall be deposited between the hours of 4 and 7 A.M. on the side of the road near the entrance of the premises from which it has come (or in the dust-boxes provided for the purpose).

No. 23.

26. The owner or occupier of any ground or premises shall, within eighteen hours of the death of any animal which dies or which is found dead in the said ground or premises, burn, bury, remove or otherwise dispose of the carcass to the satisfaction of the Commissioners; and the Municipal Inspector is authorised, in the event of such owners or occupier's non-compliance with the above provision, to enter upon any ground or premises, and to carry out the provision of this bye-law at the expense of such owner or occupier. Any expense incurred shall be recovered in the manner provided for the recovery of fines, forfeitures, and penalties under the Act.

BYE-LAWS FOR THE FISHING VILLAGES.

New Bye-laws.

27. Fresh fish for sale shall be disposed of only at the following places:—

At the boats when they come to shore.
At the fish markets licensed by the Municipal Commissioners.

Do. 28. No person shall be permitted to keep fresh fish for sale lying about his house either inside, or outside, or in his garden.

Do. 29. Fresh fish for use in fishermen's houses shall be gutted and cleaned only on the foreshore where the boats land; and the offal shall be placed in the barrels provided for the purpose by the Municipal Commissioners, or in the pits set apart for the purpose by the Commissioners.

FISH SALTING.

Do. 30. Fish for salting shall be gutted and cleaned only on the foreshore or in huts set apart for the purpose with the sanction of the Commissioners, and the offal thrown into the barrels or pits abovementioned.

Do. 31. They shall be salted only under pandals erected in front of the first line of huts on the beach in such positions as the Commissioners may appoint.

Do. 32. Salted fish shall be dried only on the foreshore between the salting pandals and the cleaning places.

Do. 33. When thoroughly dried, the salted fish may be stored anywhere in the village.

Do. 34. Salt and salt-earth may be stored anywhere among the houses.

FISH OIL MANUFACTURE.

New Bye-laws.

35. Fish oil shall be manufactured only at such places as the Commissioners may appoint.
36. The manufacture of oil except by boiling shall not be permitted without the express sanction of the Commissioners.
37. Fish and fish livers shall not, except with the Commissioners written permission, be kept in boats or barrels till they become putrid.
38. The refuse shall be put into barrels and not thrown on the ground, and shall be transferred from such barrels to the barrels or pits mentioned in bye-law No. 29 above.
39. Fish and fish livers intended for the manufacture of oil shall be put into barrels or boats or properly paved receptacles, and shall not be thrown on the ground.

GENERAL.

40. The Commissioners shall have authority in times of epidemic cholera to prevent the sale of "Neyulla Mathi Meen" as an article of food.
41. For each house in the village a box or basket shall be kept for collecting ashes and rubbish of all kinds, and this shall be emptied as often as necessary into the municipal rubbish barrels.
42. All refuse water from each house shall be thrown into a chatty or barrel, which shall be daily emptied into the sea.
43. Nets that have not been washed and cleaned shall not be placed anywhere about the houses inside or outside.
44. The inside of houses shall be cleaned when necessary by putting down fresh earth which will be provided by the Municipal Commissioners.

SEWERS, DRAINS, CESSPOOLS, &c.—SECTIONS 108 TO 113.

- APPENDIX A.
G.O., No. 2942, dated
21st December 1877.
No. 21.
45. No public drain shall be covered without the written permission of the Municipal Commissioners.
46. No person shall construct or place over or by the side of any public drain, any bridge, platform, building, or structure of any kind, except by and with the written permission of the Commissioners, and in such manner as they shall direct.
47. The owners of conveyances shall provide proper entrances, with culverts where necessary, to their premises from the public way, so that the side drains be not damaged by the passage of the said conveyances. In the case of new drains made by the Commissioners, however, the burden of providing the necessary crossings and protection shall lie on the Municipality.
48. No person shall deposit, or cause to be deposited, in or by the side of any public drain, any substance or thing whereby the said drain is or may be in any way obstructed.

PUBLIC STREAMS AND TANKS—SECTIONS 114 TO 116.

49. No person suffering from any contagious disease shall bathe, or wash or cause to be washed any cloth or wearing apparel belonging to him, in any public tank or reservoir of standing water.
50. No person shall bathe in, or by the side of, any public tank or well, unless such tank or well has been specially set apart for the purpose.
51. No person shall wash, or cause to be washed or cleaned, in any public street, lane, or thoroughfare, or in, upon, or by the side or with the water of, any well or cistern intended for drinking or cooking purposes any dog, horse, or other animal, or any wool, cloth, or wearing apparel, or any utensil for cooking or other purpose, or leather or skin of any kind, or other foul or offensive thing.
52. No person shall suffer any offensive matter from any manufactory, place of business, stable, or cook-house, to flow into any river, nullah, canal, public tank, or surface drain.

21st December 1877.
No. 29.

53. The owner or occupier of any part of the bank of any nullah or water-course shall keep it free from filth, dense vegetation, or other obstruction, and shall at all times allow the Commissioners, or any of their servants duly authorised, to have access to such nullah or water-course for any purpose of public conservancy.

54. No person shall, without the written permission of the Commissioners, set up any obstruction in any nullah or water-course, and the Commissioners may order the removal of any such obstruction on grounds of public health.

55. No person shall steep in any tank or ditch within municipal limits any jute, hemp, hides or vegetable matter likely to render the water of such tank or ditch offensive or noxious to the neighbourhood.

56. No person shall dig or make, or cause to be dug or made, in any public place, any tank, pond, well, ditch, water-course or other excavation without the written permission of the Commissioners.

57. No person shall commit a nuisance in the dry bed of any river, water-course, public tank, &c., within the municipal limits.

58. No person shall divert the course of any public water, channel, or stream without authority.

59. Every public tank shall be enclosed by a fence or wall.

60. No person shall use the public drinking water reservoirs for any purpose other than drawing water from them for drinking on the spot, or carrying away for domestic and gardening purposes.

61. Private individuals wishing to lead water into their own houses from a public source of supply shall pay the cost of the construction of the necessary works and of a shaft in the main conduit for the regulation of the water-supply. (They will be permitted to supply materials and labor if they choose to do so.)

62. All shafts and subsidiary works outside private residences shall be the property of the Municipal Commissioners.

63. The use of the water in the conduits by hand-watering for small flower gardens is prohibited except in the hot weather, when the supply from the conduits is cut off. Irrigation of fields is prohibited.

64. No tanks connected with the conduits shall be used for bathing and washing purposes, except with the special permission of the Commissioners, and then only when arrangement has been made for ensuring that the tank water will not flow back into the municipal works.

65. No branch or main pipe and apparatus from the street to any premises, yard, or garden shall be attached, removed, disconnected, or in any way altered, except by workmen sent by the Commissioners. When any alteration is required, application must be made at the Municipal Office.

66. All parties having pipes in their houses shall report to the Commissioners if they become damaged in order that they may be repaired and that no waste may occur.

67. The Commissioners are at liberty to discontinue the supply of water to any house where these rules are not observed, or when the supply from the canals fails.

68. The Commissioners have power to authorise the entry of such of their officers as may be necessary into any premises, after giving six hours' notice, to inspect any water work, or cause any alteration to be made that may be necessary.

UNWHOLESOME TANKS AND DANGEROUS BUILDINGS—SECTIONS 117 TO 122.

69. Every well shall be fenced by a wall not less than three feet high from the surface of the ground.

The Hon^{ble} R. Daviden C.S.
Chief Secretary to Government
Fort St George.

Sir,

In accordance with para 3 of my
letter No 5 dated 14th May 1879. I have the
honour to submit for the sanction of
Government the revised Bye laws re-
ceived from the Vice President of the
Tellicherry Municipality.

2. It will be observed that the selec-
tion of the bye-laws has been made
with reference to para 4 of G. O., No 186,
dated 21st December 1877, and that the
Commissioners have adopted all the
bye-laws

Bye-laws circulated in the list al-
though Nos 61 to 68 corresponding
with Nos 37 to 44 in the Government
list are inapplicable at present
to the Municipality, unless for the
sake of completeness there is no
object in retaining them. Bye-law
No 26 is based on No 23 in pass
of L.O., No 1251, dated 17th July 1876.

3. Bye-laws Nos 27 to 44 are not
included in the list circulated by
