2. In the Regular Estimate, the Board of Revenue propose to leave the Road Fund portion of the balance, viz., Rs. 29,704, out of account, as it will be required for adjustment of expenditure from Famine Funds. The transfer of the toll-gates at Pallavaram and Dammal to better positions has raised the income from this source by Rs. 1,000 over the sanctioned Budget Estimate. An increase of Rs. 3,250 is expected under "Fines and Penalties," "Contribution by Government for the execution of Civil Works by the Local Fund Engineer," and "Interest on Arrears of Revenue." The Government observe that, in August last, the President applied to the Board of Revenue for a sum of Rs. 1,260 to be expended in executing certain alterations to Venkataranga Pillai's Choultry at Sriperumbudur, which, however, remained unsanctioned at the date of the Board's Proceedings above recorded.

3. Compared with the Regular Estimate, the estimated receipts for 1881-82 show an increase of Rs. 2,000 under Tolls due to the transfer of the Cortelliar toll-gate to the Red Hills.

4. Under the circumstances explained by the Revenue Board, the Government sanction the additional appropriation of Rs. 11,110 from the one-third Land Cess in order to meet the requirements of the circle in regard to Public Works. The excess provision of Rs. 2,850 for the upkeep of certain roads is also sanctioned. The provision of Rs. 10,000 against Rs. 8,000 in the Regular Estimate for results grants appears to be high. The Director of Public Instruction will report on this subject. The proposal to open a fresh Dispensary at Sriperumbudur, at an annual cost of Rs. 1,050, is approved under the circumstances stated. The Surgeon-General will endeavour to depute a medical subordinate to the new Dispensary at an early date. It is presumed that the provision made for the controlling establishment in the Presidency includes the amount to be provided under G.O., 2nd October 1879, No. 1891. The other items do not call for notice.

5. With the above remarks, the Right Honorable the Governor in Council passes the budget of the Chingleput Local Fund Board for 1881-82.

REVENUE BOARD OFFICE,
Madras,
14th April 1881,

(Signed) C. D. MACLEAN,
Acting Sub-Secretary.

No. 614.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th April 1881.

Read the following papers:—

Proceedings of the Madras Government, dated 17th March 1881, No. 462, Financial Department.

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Chingleput Circle for 1881-82.

From J. F. PRICE, Esq., President of the Local Fund Boards, Chingleput District, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Kakalu, 12th February 1881, No. 6.

In reference to the enclosed extract from the Proceedings of the Local Fund Board of the Chingleput Circle, No. 10, dated 28th January 1881, I have the honor to request the permission of the Board of Revenue for the substitution of "Poonamallee" for "Sriperumbudur" in the Local Fund Budget for 1881-82, now under revision in the Government Office.

2. Poonamallee stands tenth in the scheme of dispensaries submitted with my letter, No. 86, dated 8th October 1880. But, in consideration of the prolonged outbreak of fever at Kunnathur, which is but four miles from the former station, the Circle Board have resolved to open at Poonamallee the dispensary originally intended to be established at Sriperumbudur.

3. If this proposal meets with approval, the necessary alterations should be made in the Budget for the coming year.

4. Adverting to the latter part of the resolution, I beg that Government may be moved to sanction, as a temporary measure, the employment, from 1st April next, of four Assistants called "Vythians," at Rs. 5 each per mensem, for the purpose of distributing medicines and looking up the sick in the affected villages round Kunnathur. A medical subordinate is at present stationed at this place, and the four Assistants will work under his immediate orders. The charge can be met from General Savings under Grant III.

5. This arrangement is one made at the suggestion* of the Sanitary Commissioner, who has recently visited Kunnathur and the surrounding villages.

* Referred to in G.O., No. 192, dated 14th February 1881.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

The Local Fund Budget of the Chingleput Circle for 1881-82 will be printed and circulated to all officers concerned.

2. Paragraph 2 of the Government Order.—Adverting to the concluding part of this paragraph remarking that the application for the allotment of Rs. 1,260, made in August 1880 for certain alterations to Vencatarunga Pillay's Choultry at Sriperumbudur, remained unsanctioned at the date of the Board's Proceedings reviewing the Budget, they observe that before passing the allotment they had to make a reference to the President for some further information which was not furnished till after the review of the Budget was completed. This fact was mentioned in paragraph 5 of the Board's Proceedings above referred to.

3. Paragraph 4 of the Government Order.—The remarks of the Director of Public Instruction regarding the provision for education were submitted to Government with Board's Proceedings, dated 17th January 1881, Miscellaneous No. 413. As presumed by Government, the allotment made in the Budget for the controlling establishment at the Presidency includes the amount to be provided under G.O., Financial Department, dated 2nd October 1879, No. 1,891.

462
13/14

4. In accordance with the President's letter read above, the sanction of Government is solicited for the opening of a dispensary at Poonamallee instead of at Sriperumbudur as proposed in the Budget and sanctioned by Government, and for the employment, as a temporary measure, from April 1881 of four Vythians at Rs. 5 each per mensem for distributing medicines and looking after the sick in the affected villages around Kunnathur.

Proceedings of the Board of Revenue
Date 20th November 1880.

Read the following letter—

From the President Local Fund Board
Chingleput Circle dated 5th October
1880 No. 85, Submitting the Budget Estimate
of Local Funds for 1881-82.

From Surgeon A. J. Stewart Surgeon
Surgeon General with the Government of
Madras to the Secretary to the Board
of Revenue dated Fort St. George 21st
October 1880 No. 5873.

I have the honor by order of
the Surgeon General to report to your
Board that the allotment made in
Grant III of the 1881-82 Local Fund
Budget Estimate of the Chingleput Circle
for the maintenance of the eight dis-
penraries including the new manholes

Dispensary at Streeperum's adur is adequate
and calls for no remittance
in the marginally noted three
items.

1. Medical Subordinates
2. Medicines & Apparatus
3. Supplies

2. The three-fourths of the pay and charge
allowance provided for the Civil Apothe-
cary attached to the Sadeapett Dispensary
should be increased from Rs 670 to Rs 675
and that of the Civil Hospital Assistant
in charge of the Sathura Dispensary
should be reduced from Rs 360 to Rs 330,
as the Medical Subordinates will only
be entitled to charge allowance from
July 1881.

3. The President of the Circle not having
afforded explanation as to the necessity
for the increased provision made for
"medicines and apparatus" & "Supplies"
to certain Dispensaries, and taking into
consideration the actuals for 1879-80,
the Surgeon General thinks that the current
year's grant must be reduced to the below

4. The Medical Department will not probably
be in a position to depute a medical
Subordinate for the new Dispensary
referred to until July 1881. H62
5. A sum of Rs 842 is entered as the
contribution towards the expenses of the
Medical College. H62

From Surgeon-Major M.C. Funnell
M. D. F. R. V. S. Sanitary Commissioner
for Madras to the Secretary to the
Board of Revenue Madras dated Vellore
28th October 1880 No 1108.

I have the honor to report that
the Chingleput Local Fund Board
propose to allot Rs 842 or 18 per cent of
available income for sanitary purposes
for the year 1881/82. This is less than
the grant for the current year by 3 per cent,
it may however be accepted of this
sum Rs 120 and 1500 are to be devoted
for the improvement of water supply
village site respectively and

the remainder for scavenging establishments, and Sanitary arrangements during fairs and festivals. Tent towns will thus be conserved.

No particulars are given of the Sanitary works, if any, under Grant I to Repairs. Civil Buildings and Miscellaneous Public Improvements, against which I find a sum of Rs. 5.00 has been set.

The Vaccination Grant amounts to Rs. 4,500 being the same as that for the current year. The Estimate appears to be ample, but no details have been given as to how the money will be distributed and the establishment employed.

The Local Fund Budget of the Chuzaleput Circle for 1881-82 is submitted for the orders of Government.

2. The President stated at the opening balance according to the latest

ation obtained from the Accountant General was Rs. 59,470 but in a Statement recently sent to the Board by the latter office, the closing balance of 1879-80 is approximately given as Rs. 59,374, the Accounts of the year not being finally closed as yet. This amount which differs but slightly from the President's figure with his adopted in the Regular Estimate. The increase over the budget estimate under this item is due to the collections from Land Cess having exceeded, and the expenditure under some heads especially Recult Grants having fallen short of, the Regular Estimate of 1879-80. The Road Fund balance of Rs. 29,700 will be left out of account in the Regular Estimate, as it will be required for adjustment of expenditures from Famine Funds.

G.O. of 8th November
1880 No 2074 F.D.

3. The Cess on Land is estimated at Rs. 140,000 against Rs. 143,000 in the budget for the current year and against Rs. 139,944 the actuals of 1879-80. The estimate is based on the actuals of 1879-80.

appears to be low considering the fact that the rate of Land tax has been raised from 9 pias to one Annam from the beginning of the current official year. The President will report on this point.

4. The income from Tolls is estimated at Rs. 17,000 against Rs. 16,000 in the current year's budget, the increase being due to the transfer of two S. U. gates to better positions. A sum of Rs. 600 is entered as receipt from Government for the execution of Civil Works by the Local Fund Engineer with reference to G. O. F. D. dated 28th April 1880 No. 2871.

The total receipts are

Road Fund	115,430
Government do	1,740
General do	79,930
	<u>1,97,100</u>

5. Under New Works, Communications, the probable expenditure is given as Rs. 4,500 and that on Civil Buildings as Rs. 5,840. The latter amount is

Rs. 1260 for certain alterations to the Hentah-ranga Palla's Choultry at Strickford's, which the Board have not sanctioned as yet pending the receipt of some explanation from the President. The probable expenditure on Repairs, Communications, is estimated at Rs. 99,206 the details of which are given in the margin, by the exclusion of the opening Road Fund balance from the Regular Estimate, the Board have no alternative but to disallow the two additional allotments proposed as well as to reduce the budget grant from Rs. 85,050 to Rs. 77,150. The President will at once restrict his expenditures to this amount submitting a list showing the details thereof. If the liabilities incurred by the S.P.W. in 1879-80, for which Rs. 5,172 (instead of Rs. 6,574 the correct amount) are put down are to be met this year, the President will provide funds for them by transfers from allotments for works. The cost of the Local Fund Engineering works

which includes Rs 2,500 per annum
allowances at 25 per cent of their salaries.
This provision is unnecessary till the
final orders of Government on the
subject of Local Fund pension are
issued and is accordingly struck
out.

6. The Local Fund Board not having
succeeded in procuring a certificated
midwife on Rs 10 the salary sanctioned
and provided in the budget, employed
a woman on Rs 15 a month from
August last. No application appears
to have been made to the Board
for the increased rate of salary.

The attention of the President is called
to this point. Rs 510 a year at Rs 680
in the budget are entered for the Con-
trolling Establishment at the Presidency
and for the District and Presidency
Audit

^{Rs 20}
Audit establishment sanctioned in 1879.
F. D. dated 22^d March 1880 Rs 1470 are provided which is a saving of
^{Rs 20}
1 1/2 per cent on the proposed expenditure.
The contribution for the Controlling Estab-
lishment at the Presidency will for the
purpose of the Regular Estimates, be taken
at Rs 680 as in the budget and the
provision for the new Audit establish-
ment struck out. The actual cost of
the whole Presidency Establishments
(old and new) will, after the close of
the current year and on its being
notified by the Accountant General
be distributed among the funds
of the several Circles in proportion
to their respective assets as has
hitherto been done in the case of the
cost of the old Presidency Establishment.
7. The following is the Regular
Estimate of expenditure as modified
by the Board.

Establishment is Rs. 18,000 inclusive
 of Rs. 2,900 for Pension & allowances.
 The latter amount has been struck out
 for reasons already stated. The
 cost of the establishment debitable to
 the Road Fund will then be Rs. 14,800.
 The share of the cost of general manage-
 -ment chargeable to the Road Fund
 and the allotment for Tools & Plant
 should be Rs. 5,250 and Rs. 2,190 res-
 -pectively. A sum of Rs. 9,130 is entered
 under Road Fund Revenue but it
 is undesirable to provide for a
 Revenue when for want of funds an
 additional appropriation is proposed
 from the General Fund. The amount
 will accordingly be struck out. The
 total Road Fund expenditure is
 Rs. 1,27,790 leaving a balance of

 Rs. 8,000 in the current year's budget and
 against Rs. 1,700 the actuals of 1879-80. The
 increased provision is made with reference
 to the gradual increase in the number
 of final schools since the famine and to
 the restoration of the old rates of grants.
 The total of Grant II is Rs. 16,000 chargeable
 to the General Fund.

Grant III, Sanitation. 13. A grant for Hospitals and
 Dispensaries is Rs. 11,000 against Rs. 10,000
 for the current year. The increase is chiefly
 due to the Local Boards proposal to
 open a fresh Dispensary at Straperumbam
 in the Coimbatore Taluk at an annual
 cost of Rs. 10,500 as noted in the margin.
 Funds being available under the General
 Fund; and as Straperumbam is
 in the Revenue Quarters of the Dy. Talukdar
 of that Division, the proposal is recom-

8. As in the Regular Estimate, the Land
cess collections are estimated at Rs. 140,000.
The President states that there is some
difficulty in fixing the demand under
this head but that for the purpose of
the budget it may be taken at that amount.
The income from Tolls is estimated at
Rs. 19,000 against Rs. 16,000 in the current
year's estimate. It is a gain of Rs. 17,000
in the Regular estimate. The increase
is due to the proposed transfer of the

In consequence of the inadequacy of the assets of the Road Fund to meet its legitimate wants and with a view to maintain equilibrium between the receipts and charges of the fund, the Local Fund Board have made an additional appropriation of Rs 22,000 from the unvested Local Cos. After making all the possible reductions in the Road Fund expenditure, an appropriation of Rs 11,000 has been found absolutely necessary, which is allowed subject to the sanction of Government.  10. For want of funds, no provision is made for new roads and many of the roads undertaken during the recent famine are left unfinished and require an outlay of large sums of money to finish them. For Road repairs, Rs 17,000 are provided against Rs 85,000 in the current year's budget. The sum Rs 2,850, is stated to be very necessary for the upkeep of certain roads, a list of which is appended to para 15 of the President's letter. The Board think that the excess provision should be allowed and have accordingly returned it. The total cost of the Local Fund Engineering

Establishment is Rs. 18,000 inclusive
 of Rs. 2,952 for Pension & allowances.
 The latter amount has been struck out
 for reasons already stated. The
 cost of the establishment debitable to
 the Road Fund will then be Rs. 14,800.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th November 1880.

Read the following letters:—

From the President of the Local Fund Board, Chingleput Circle, dated 5th October 1880, No. 85, submitting the Budget Estimate of Local Funds for 1881-82.

From Surgeon A. J. STURMER, Secretary to the Surgeon-General with the Government of Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Fort St. George, 21st October 1880, No. 5,873.

I HAVE the honor, by desire of the Surgeon-General, to report to your Board that the allotment made in Grant III of the 1881-82 Local Fund Budget Estimate of the Chingleput Circle for the maintenance of the eight Dispensaries, including the new unauthorized Dispensary at Sriperumbudur, is adequate and calls for no remarks save in the marginally-noted three items.

1. "Medical Subordinates."
2. "Medicines and Apparatus."
3. "Supplies."

2. The three-fourths of the pay and charge allowance provided for the Civil Apothecary attached to the Saidapet Dispensary should be increased from Rs. 670 to Rs. 675, and that of the Civil Hospital Assistant in charge of the Sathaved Dispensary should be reduced from Rs. 360 to Rs. 330, as the Medical Subordinate will only be entitled to charge allowance from July 1881.

3. The President of the Circle not having afforded explanation as to the necessity for the increased provision made for "Medicines and Apparatus" and "Supplies" to certain Dispensaries, and taking into consideration the actuals for 1879-80, the Surgeon-General thinks that the current year's grant may be allowed to stand.

4. The Medical Department will not probably be in a position to depute a Medical Subordinate for the new Dispensary referred to until July 1881.

5. A sum of Rs. 840 is entered as the contribution towards the expenses of the Medical College.

From Surgeon-Major M. C. FURNELL, M.D., F.R.C.S., Sanitary Commissioner for Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Vellore, 28th October 1880, No. 1,108.

I HAVE the honor to report that the Chingleput Local Fund Board propose to allot Rs. 8,420, or 18 per cent. of available income for sanitary purposes for the year 1881-82. This is less than the grant for the current year by 3 per cent.; it may, however, be accepted. Of this sum, Rs. 1,200 and Rs. 1,500 are to be devoted for the improvement of water-supply and village-sites respectively, and the remainder for scavengering establishments and sanitary arrangements during fairs and festivals. Ten towns will thus be conserved.

2. No particulars are given of the sanitary works, if any, under Grant I-b, "Repairs," Civil Buildings and Miscellaneous Public Improvements, against which I find a sum of Rs. 3,200 has been set.

Total	59,470

* On the 14th October 1880.

The President states that the opening balance according to the latest information obtained from the Accountant-General was Rs. 59,470, but in a statement recently sent* to the Board by the latter officer, the closing balance of 1879-80 is approximately given as Rs. 59,374, the accounts of the year not being finally closed as yet. This amount, which differs but slightly from the President's figure, will be adopted in the Regular Estimate. The increase over the Budget Estimate under this item is due to the collections from Land-cess having exceeded, and the expenditure under some heads, especially Result Grants, having fallen short of, the Regular Estimate of 1879-80. The Road Fund balance of Rs. 29,704 will be left out of account in the Regular Estimate, as it will be required for adjustment of expenditure from Famine Funds.

G.O., dated 8th November 1880, No. 2,074, Financial Department.

3. The cess on land is estimated at Rs. 1,40,000 against Rs. 1,43,000 in the Budget for the current year and against Rs. 1,39,944, the actuals of 1879-80. The estimate, which is based on the actuals of 1879-80, appears to be low, considering the fact that the rate of land-cess has been raised from nine pies to one anna from the beginning of the current official year. The President will report on this point.

4. The income from tolls is estimated at Rs. 17,000 against Rs. 16,020 in the current year's Budget, the increase being due to the transfer of two toll-gates† to better positions. A sum of Rs. 620 is entered as receipt from Government for the execution of Civil Works by the Local Fund Engineer with reference to G.O., Financial Department, dated 28th April 1880, No. 871.

The total receipts are—

	RS.
Road Fund	1,15,430
Endowment Fund	1,740
General Fund	79,930
Total	1,97,100

5. STATEMENT B, EXPENDITURE.—Under New Works, Communications, the probable expenditure is given as Rs. 4,056 and that on Civil Buildings as Rs. 5,840. The latter amount includes Rs. 1,260 for certain alterations to the Vencatarunga Pillay's Choultry at Sriperumbudur, which the Board have not sanctioned as yet pending the receipt of some explanation from the President. The probable expenditure on

Repairs, Communications, is estimated at Rs. 99,206, the details of which are given in the margin. By the exclusion of the opening Road Fund balance from the Regular Estimate, the Board have no alternative but to disallow the two additional allotments proposed, as well as to reduce the Budget grant from Rs. 85,050 to Rs. 77,150. The President will at once

reduce the Budget grant from Rs. 85,050 to Rs. 77,150.

restrict his expenditure to this amount, submitting a list showing the details thereof. If the liabilities incurred by the Department of Public Works in 1879-80, for which Rs. 5,172 (instead of Rs. 6,514, the correct amount) are put down, are to be met this year, the President will provide funds for them by transfers from allotments for works. The cost of the Local Fund Engineering Establishment includes Rs. 2,952 as pensionary allowances at 25 per cent. of their salaries. This provision is unnecessary, till the final orders of Government on the subject of Local Fund pension are issued, and is accordingly struck out.

6. The Local Fund Board not having succeeded in procuring a certificated Midwife on Rs. 10, the salary sanctioned and provided in the Budget, employed a woman on Rs. 15 a-month from August last. No application appears to have been made to the Board for the increased rate of salary. The attention of the President is called to this point. Rs. 510 against Rs. 680 in the Budget are entered for the Controlling Establishment at the Presidency and for the District and Presidency Audit Establishments sanctioned in G.O., Financial Department, dated 22nd March 1880, No. 609. Rs. 1,470 are provided, which is a moiety of 1½ per cent. on the proposed expenditure. The contribution for the Controlling Establishment at the Presidency will, for the purpose of the Regular Estimate, be taken at Rs. 680 as in the Budget and the provision for the new Audit Establishment struck out. The actual cost of the whole Presidency Establishments (old and new) will, after the close of the current year and on its being notified by the Accountant-General, be distributed among the funds of the several Circles in proportion to their respective assets as has hitherto been done in the case of the cost of the old Presidency Establishment.

Local Fund Budget — of Chingleput Circle
for 1881-82. — Revised —

8. BUDGET FOR 1881-82—STATEMENT I-A, REVENUE AND RECEIPTS.—As in the Regular Estimate, the land-cess collections are estimated at Rs. 1,40,000. The President states that there is some difficulty in fixing the demand under this head, but that for the purpose of the Budget it may be taken at that amount. The income from tolls is estimated at Rs. 19,000 against Rs. 16,020 in the current year's Budget and against Rs. 17,000 in the Regular Estimate. The increase is due to the proposed transfer of the Cortelliar toll-gate to the Red Hills. The President's application for this transfer has been submitted to Government in Board's Proceedings, dated 27th October 1880, No. 1,616. Rs. 620 are shown as the contribution due from Government to the Local Fund Board for the execution of repairs to Civil Buildings, &c., by the Local Fund Engineering Establishment. The total receipts are—

	RS.
Road Fund ...	1,16,680
Endowment Fund ...	1,140
General Fund ...	75,800
Total ...	1,93,620

9. STATEMENT B, EXPENDITURE—GRANT I, PUBLIC WORKS—STATEMENT II, ROAD FUND.—In consequence of the inadequacy of the assets of the Road Fund to meet its legitimate wants, and with a view to maintain equilibrium between the receipts and charges of the Fund, the Local Fund Board propose an additional appropriation of Rs. 20,000 from the one-third land-cess. After making all the possible reductions in the Road Fund expenditure, an appropriation of Rs. 11,110 has been found absolutely necessary, which is allowed subject to the sanction of Government. The sale-proceeds of old materials and Tools and Plant (Rs. 10) should be credited to the Road Fund and the whole of the interest on arrears of revenue to the General Fund. The total Road Fund receipts are Rs. 1,27,790.

10. For want of funds, no provision is made for new roads, and many of the roads undertaken during the recent famine are left unfinished and require an outlay of large sums of money upon them. For road repairs, Rs. 87,900 are provided against Rs. 85,050 in the current year's Budget. The excess, Rs. 2,850, is stated to be very necessary for the up-keep of certain roads, a list of which is appended to paragraph 15 of the President's letter. The Board think that the excess provision may be allowed and have accordingly retained it. The total cost of the Local Fund Engineering establishment is Rs. 18,300, inclusive of Rs. 2,952 for pensionary, &c., allowances. The latter amount has been struck out for reasons already stated. The cost of the Establishment debitable to the Road Fund will then be Rs. 14,800. The share of the cost of general management chargeable to the Road Fund and the allotment for Tools and Plant should be Rs. 5,250 and Rs. 2,190, respectively. A sum of Rs. 9,130 is entered under Road Fund reserve, but it is undesirable to provide for a reserve when, for want of funds, an additional appropriation is proposed from the General Fund. The amount will accordingly be struck out. The total Road Fund expenditure is Rs. 1,27,790, leaving no balance.

11. Grant I is—

	RS.
Road Fund ...	1,22,450
General Fund ...	3,880
Total ...	1,26,330

12. GRANT II, EDUCATION.—None of the items under Grant II call for remark except Result grants, for which Rs. 10,000 are provided against Rs. 8,600 in the current year's Budget and against Rs. 5,751, the actuals of 1879-80. The increased provision is made with reference to the gradual increase in the number of pial schools since the famine and to the restoration of the old rates of grants. The total of Grant II is Rs. 16,000 chargeable to the General Fund.

13. GRANT III, SANITATION, &c.—The grant for Hospitals and Dispensaries is Rs. 11,000 against Rs. 10,080 for the current year. The increase is chiefly due to the Circle

Board's proposal to open a fresh Dispensary at Sriperumbudur in the Conjeeveram Taluk at an annual cost of Rs. 1,050 as noted in the margin; funds being available under the General Fund, and as Sriperumbudur is the head-quarters of the Deputy Tahsildar of that Division, the proposal is recommended for the sanction of Government. The Surgeon-General reports that his department will probably not be in a position to post a Medical Subordinate to this Dispensary till July 1881. The allotment for the salaries, &c., of the Medical Subordinate attached to the Sathaved Dispensary will be reduced from Rs. 360 to Rs. 330 as suggested by Dr. Cornish. The salary of the Midwife on Rs. 15 attached to the Chingleput Dispensary is shown under "Superintendents" instead of under "Servants" in Statement IV-A. The necessary alteration has been made.

	RS.
Medical Subordinate ...	300
Two Servants ...	120
Medicines, &c. ...	300
Supplies ...	70
Rents ...	50
Contingencies ...	210
Total ...	1,050

14. The cost of vaccination is the same as in the current year, and Rs. 8,420 are provided for Sanitation, the details of which are given in Statement IV-B. The Sanitary Commissioner will, in a separate Memorandum, be furnished with the details of the allotments for repairs of Civil Buildings and Miscellaneous Public Improvements and for Vaccination.

* Vide G.O., Financial Department, dated 24th October 1879, No. 2,028.
† Vide Board's Proceedings, dated 5th November 1880, Miscellaneous No. 12,255.

15. Travellers' Bungalows cost Rs. 400, or Rs. 100 less, the decrease being due to the abandonment of the bungalows at Atcherawauk* and Red Hills.†

16. Grant III is—

	RS.
General Fund ...	28,670
Endowment Fund ...	300
Total ...	28,970

17. GRANT IV, MISCELLANEOUS.—The contribution for the Controlling Establishments at the Presidency, including the old and the new Audit, &c., Establishments, should be Rs. 1,530. The provision of Rs. 2,890 made by the President for the Audit Establishments separately from the Controlling Establishments will be struck out and a sum of Rs. 1,320 entered for the District Audit Establishment.

18. Grant IV is—

	RS.
Road Fund ...	5,340
General Fund ...	3,460
Total ...	8,800

19. The general reserve should be Rs. 5,030.
