GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

21st March 1881, No. 487.

Local Fund Engineering Establishment.

Read the following paper :—

No. 111. *Proceedings of the Board of Revenue, dated 28th February 1881, No. 351*
[Current No. 579].

Read the following letter from J. KELSALL, Esq., President of the Local Fund Boards, Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 15th January 1881, No. 701 :—

I have the honor to state that the Masulipatam Local Fund Board, on a report from the Local Fund Engineer, have resolved that their Engineering establishment must be strengthened. A copy of their resolution is forwarded.

2. Mr. Brickwell's letter, a copy of which I enclose, explains fully the changes that are to be made and compares the establishment as it stands at present with that proposed. I consider that this increase is required.

3. Our present establishment costs Rs. 1,181 per mensem; the proposed one will cost Rs. 1,711, or with batta, printing charges, and other contingencies Rs. 27,312 per annum. This will be about 11 per cent. of our Road Fund, whereas we used to pay the Public Works Department 25 per cent.

4. When I forwarded the budget I explained that it would be necessary to strengthen our Engineering staff, and Rs. 24,280 was put down as the probable cost. I find, after fully going into the matter, that that was an under-estimate and that Rs. 27,312 is required.

5. There is no doubt we are very short-handed at present.
