FINANCIAL DEPARTMENT.

Provincial Services.

Read the following papers :—

No. 126. *Proceedings of the Board of Revenue, dated 9th February 1881, No. 208*
[Current No. 711].

Read application for additional budget allotment from the Collector of Tanjore, dated 1st December 1880, received with endorsement from the Accountant-General, dated 14th December 1880.

In the above paper the Collector of Tanjore applies for an additional grant of Rs. 400 for official postage under the head "Printing," the amount allotted for the district in the Board's Provincial Services Budget for 1880-81, viz., Rs. 300, having proved insufficient. The expenditure for official postage in all the districts up to the end of December 1880, or for nine months in the year, amounts to Rs. 11,059, according to the progress reports received in this office, against Rs. 14,600, the allotment for the year. The Board do not think that there will be any savings under this head which can be appropriated for the excess expenditure in Tanjore. They therefore propose to meet it from general savings under other minor heads subordinate to the major head "Printing." The total expenditure under "Printing" to the end of December 1880 amounts to Rs. 52,857 against Rs. 80,700, the budget grant for the districts during the year.

2. The Board have hitherto themselves sanctioned transfers similar to the above from one minor head to another under the same major head, as regards Provincial expenditure, but there are no orders of Government granting this authority.

3. As regards Imperial expenditure, the Government of India retain the power of making transfers from one major head to another, and the Local Government is empowered only to make transfers from one minor head to another (*vide* Resolution of the Government of India, dated 12th August 1864, No. 1739). With reference to Provincial expenditure, however, the Government of India have, in their Resolution embodied in G.O., dated 17th July 1879, No. 1352, empowered Local Governments to transfer allotments from one major head to another, and the Board suggest that, with a view to save frequent reference to Government, the power to transfer allotments from one minor head to another under the same major head, as regards Provincial expenditure relating to departments under the control of the Board, may be left to them.

No. 127. *Proceedings of the Board of Revenue, dated 21st February 1881, Miscellaneous No. 1810 [Current No. 711-A].*

Read the following letter from S. T. McCARTHY, Esq., Acting Collector of Cuddapah, to the Secretary to the Board of Revenue, dated 4th February 1881, No. 33.

A sum of Rs. 500 was estimated in the year 1879 for the year 1880-81 for expenditure of postage labels for the use of the Printing Department of this district, and the estimate was sanctioned in the current year's budget.

2. In the Regular Estimate of this year an additional provision of Rs. 500 was made, an explanation being entered in the remark column of the same that the extra allotment was absolutely necessary to meet the charges of the current year owing to the number and bulk of the District Gazettes and village sheets having considerably increased since the preparation of the current year's budget.

3. The Accountant-General has, in his letter, No. 7-J.A.C.E., dated 26th ultimo, pointed out that the special sanction of the Board of Revenue should be obtained for the expenditure in excess of the budget provision.

Amount in the Budget ..	Rs. 500	4. There is a provision of Rs. 800 for purchase of Press materials for the current year. The whole amount is still available. I have the honor, therefore, to request that you will be good enough to obtain sanction of the Board of Revenue for a transfer of Rs. 500 from the above-said sum of Rs. 800 to meet the expenditure already incurred, as well as the charges to be incurred during the remaining two months of this year.
