Read the following paper :—

No. 149. *From J. G. FERRAND, Esq., Superintendent of Stationery, Madras, to the Chief Secretary to Government, dated Madras, 16th March 1881, No. 1785 [Current No. 696].*

Messrs. Soonderjee Poonjah and Co., one of the Contracting Firms for the next annual supply of Europe articles, have inquired verbally whether the special permission of Government is necessary for their embossing the Royal Arms with the words "Government of Madras" on the writing papers according to the paper now in use. I presume that granting them the contract to supply according to pattern implies permission in regard to paper supplied to Government and informed them accordingly. I shall be glad to know if this is correct, or, if not, that such order may be passed as is necessary, which will be applicable to all contractors for papers requiring such embossing. The paper contractors with the Superintendent of Stamps in Calcutta water-mark the words "Government of India" in all writing papers supplied to him.

No. 150. ORDER THEREON, 30th March 1881, No. 561.

There is no objection to selected contractors embossing the Royal Arms with the words "Government of Madras" on paper supplied by them to this Government.
