2. The regular estimate, as revised by the Board of Revenue, is accepted; the variations between the items of the regular and sanctioned estimates are all fully explained and need no remark. It is noted that Rs. 20,000 are reserved out of the Road Fund closing balance of Rs. 1,14,100 for the final adjustment of expenditure from Famine Funds.

3. The estimated receipts for 1881-82 follow closely the regular estimate figures and are approved.

4. It is observed that Rs. 2,000 in excess of the regular estimate is provided for Result Grants. The question raised by the Director of Public Instruction (Board's Proceedings, dated 22nd March 1881, No. 3012), in regard to Sub-Inspectors being allowed the services of a peon, will be considered separately. The increased provision for Sanitation is satisfactory and is approved. The other items do not call for remark, and it is presumed that the amount provided for the Controlling Establishment in the Presidency includes the amount to be provided under G.O., 2nd October 1879, No. 1891.

5. It is observed that a fair proportion of working balance under Road, Endowment, and General Funds has been provided.

6. With the above remarks the Right Honorable the Governor in Council passes the budget of the South Arcot Local Fund Board for 1881-82.

The Secretary to the
Board of Revenue.

Sir,

I have the honor, by desire of the Surgeon-General, to report to your Board that the sum set apart in Grant III of the 1881-82 Local Fund Budget Estimate of the South Arcot Circle for the maintenance of the marginally noted seven Dispensaries calls for no remarks save in the following instances.

1. Villupuram
2. Tindivanam
3. Tirukoilur
4. Tiruvannamalai
5. Vridachellam
6. Kallakurchi
7. Punruti

2. A sum of Rs 300 is provided for

for the pay of the Medical subordinate attached to the Tirunamanallay Dispensary. It should be reduced to Rs 150 being moiety of the pay of the 3rd class Hospital Apistant now in charge of the said institution.

3. Three-fourths of the pay of each of the civil Apothecaries attached to the Kallakurchi & Punruti Dispensaries is provided instead of full pay viz Rs 600. Sanction of Government must be obtained for the remaining one-fourth from Provincial funds if the Board think it necessary.

4. Provision is made for a waterman on Rs 5 per mensem for the Punruti Dispensary. The Surgeon General has already expressed his opinion that there is no necessity for the services

5. Rupees 1800 are provided for "supplies" against Rs 880 and Rs 120 the current year's grant and actuals for 1879-80 respectively, but no explanation has been afforded by the President of the Circle as to the necessity for increased provision in his letter No 89 of 2nd October 1880 to your Board.

6. The Surgeon-General thinks that the allotment for Furniture may be reduced to certain extent.

7. A sum of Rs 2,150 is entered for the contribution towards the expenses of the Medical college.

From The Sanitary Commissioner for Madras.

To The Secretary to the Board of Revenue

Sir,

I have the honor to report for the information of the Board of Revenue that the provision made by the Local Fund Board South Arcot Circle both for Sanitation and Vaccination appears to be ample. For the former Rs 23,188 or 28·9 per cent of available income have been set apart and the distribution is satisfactory, improvement of water supply and village sites having a fair share of the allotment. For the latter Rs 5,440 have been allotted, and I approve of the manner in which the money is proposed

to be disposed of and the establishment employed.

Regular Estimate for 1880-81.

Receipts

2. The opening balances according to the Local Fund report for 1879-80 as revised in this office make up a total balance of Rupees 231971 as shown in the margin, but in the statement of approximate balances recently furnished by the Accountant General, the total Local Fund balance is given as

	Rs
Road Fund	145,577
Endowt Do	1,143
General Do	85,251
	231,971

as Rs 2,11,321. In the absence of details it may be assumed that the difference is owing to an adjustment of Road Fund Charges and the Road Fund balance is therefore reduced from Rs 1,45,577 to Rupees 1,24,927. The total balance shows an increase of Rs 22,271 over that shown in the budget which is the result of large collections under Land Cess and of short expenditure on Public Works in 1879-80.

3. The income from the Surplus Pound Fund is given as Rs 1,850 being the amount estimated for transfer to Local Funds in the Current year's special fund budget. Rs 10,000 or Rs 4,000 more than the Estimate are expected from Fisheries with

reference

reference to the collections in the first fine months of the current year & the actuals of 1879-80. The Estimate of the Cess on Land is Rs 2,39,000, as in the budget and is fully explained. Tolls are to yield Rs 19,520 against Rs 17,000 in the budget.

4. The total receipts amount to Rs 4,91,133 distributed as under:-

	Rs
Road Fund ——	3,16,207
Endowment Fund ——	1,843
General Do ——	1,73,083
	4,91,133

5. The expenditure on account of New Works and Repairs is given as Rs 49,060 and 1,45,290 against Budget allotments of Rs 63,420 and 1,26,370 respectively. The causes of the decrease and increase are clearly explained in the Regular Estimate. The allotments disallowed by the Board in the current year's supplemental budget have since been sanctioned in separate Proceedings. The assignment of Rs 1,41,638 for Repairs of Communications, includes a lump sum, Rs 2,000, for unforeseen emergent works. As the latter amount is intended for future allotment for works as occasion may arise, the Board have transferred it to the Road Fund Reserve. A saving of Rs 2,844 is expected under Tolls and Ferries owing to the Toll-gates having been rented out for the last nine months of the year. The cost of Tools and Plant should be

be Rs 4,859 instead of Rs 4750 entered in the Estimate.

6. The charge for the Cuddalore Normal school is raised from the original Estimate of Rs 2,390 to Rs 2,664 to provide for the salary of a Practising schoolmaster at Rs 10 per mensem for the second half of the current year and for the supply of furniture, books &c to the school. The variations under other heads of charges are slight and call for no remark

According to the latest account submitted by the Examiner of Public Works Accounts the balance to be adjusted on account of famine expenditure amounts only to Rs 20,000 in round numbers. This amount will be deducted from the Road Fund balance of Rs 1,14,100 and the remainder Rs 94,100 as well as the balances under the

Budget for 1881-82.

8. The Cess on Land is estimated at Rs 2,40,000 against Rs 2,39,000 in the current year's budget. The estimate may be accepted, as it is based on the actuals of five years excluding the famine years, 1876-77 and 1877-78. The income from Tolls is put down as Rs 19,000 made up of Rs 14,667 the amount expected from the seven Local Fund Toll-gates and of Rs 4,333 being one third of the sum expected to be realized by the Cuddalore and Chidambaram Municipalities. The other items do not seem to call for remark.

Statement B. Expenditure Grant I. Public Works.

9. The total proposed expenditure under Grant I is Rs 2,65,590 against Rs 2,45,530 the estimate of the current year. The increase Rs 20,060 occurs chiefly under Communications and Miscellaneous Public Improvements.

Statement II Road Fund Receipts & charges.

The share of the cost of general management chargeable to the Road Fund should be Rs 6870 instead of Rs 3050 as entered in the Road Fund statement. The total Road Fund

Fund expenditure amounts to Rs 2,57,810, leaving a balance of Rs 27,590.

10. Part I contains 10 items with an aggregate allotment of Rs 63,960. With the exception of items Nos 3, 7 and 8, all the rest are unsanctioned. An Estimate amounting to Rs 9,400 for the 10th item is now before the Board and will be submitted to Government in due course. The provision for this work which has been entered as Rs 10,000 will accordingly be reduced by Rs 600. The President is requested to expedite the submission

submission of estimates for the remaining unsanctioned works.

5/69/10

Part II. Repairs

10. There are 38 items shewn in this list with an aggregate allotment of Rs. 149,490 or Rs. 23120 in excess of the current year's budget provision of Rs. 126,370. The excess is chiefly due to provision having been made in the budget for special repairs to four main lines of communication in the Circle which are detailed in the list

Grant I is

Road Fund	250,940
General ...do...	14,650
	265,590

Grant II, Education. Inspecting staff

Rs 5030 are provided for Education. al Inspection against Rs. 4960 in the current year. The increase is due to the employ-

Grant II is Rs. 36340 chargeable to the General Fund.

Grant III, Sanitation, Hospitals & Dispensaries

12. The provision for the Medical Subordinates at Tiruvannamalai, Kallakurichi & Pavanti will be revised in accordance with the Surgeon General's remarks. The pay of the waterman at Pavanti will also be struck out as the Medical Department considers such a servant unnecessary where in-patients are not received. The attention of the President is drawn to paras 5 and 6 of the Surgeon General's letter and he is requested to explain the necessity for the increased provision on account of "Supplies" and whether the allotment for "Furniture" cannot be reduced.

Vaccination & Sanitation

13. The grants for Vaccination Rs. 5440 and that for Sanitation Rs. 20188 are slightly in excess
