GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

2nd April 1881, No. 585.

Local Fund—Works.

Read the following paper:—

Proceedings of the Board of Revenue, dated 8th March 1881, No. 2360 (Miscellaneous)
[Current No. 608].

Read the following letter from R. C. CHAPMAN, Esq., Auditor, Local Fund Accounts, to the Secretary to the Board of Revenue, dated Fort St. George, 31st January 1881, No. L. F. D. 17:—

With reference to Proceedings of the Board of Revenue, Miscellaneous No. 410, dated the 17th January 1881, I have the honor to state that for the period during which Mr. Harley was in charge of the Local Fund Engineer's Office of the Cuddapah Circle in addition to his own duties, he can only draw an allowance of 10 per cent. of the salary of that appointment under Section 32, Chapter VIII of the Acting Allowance Code.

Submitted for the orders of Government with the Board's recommendation that 50 per cent. of the salary of the Engineer of the Cuddapah Circle be sanctioned.

2. The Board understand that it is not the intention of Government that the rules of the Financial Codes should prevail in every case.

Acting Sub-Secretary.

ENCLOSURE No. 1.

Proceedings of the Board of Revenue, dated 1st January 1881, No. 410 (Miscellaneous).

Read the following letter from S. T. MCCARTHY, Esq., President of the Local Fund Boards, Cuddapah, to the Secretary to the Board of Revenue, dated Cuddapah, 17th December 1880, No. 1305.

In submitting herewith the accompanying copy of a Resolution passed by the Cuddapah Circle Board at their meeting held on the 6th instant, I have the honor to state that Mr. Harley is the Local Fund Engineer of the Madanapalle Circle. After Mr. Thompson's departure from Cuddapah, I asked to have him sent here to take charge of the Cuddapah Local Fund Engineer's Office also until a new Engineer could be appointed. He accordingly came here on the 22nd October last.

2. Since the Resolution now under reference was passed, I have seen Section 32 of the Acting Allowance Code, page 279, which prescribes an allowance of only 10 per cent. to an officer placed in charge of an office.

3. I trust, however, that this will not be held to apply to Mr. Harley's case. He did not merely perform the routine work of the office, but rendered very valuable service. He brought to light previously existing irregularities, and remedied various defects in the working of the office. The result is that the office and the Engineering Department on the whole are now in efficient working order, and likely to continue so. Mr. Harley at the same time carried on the duties of his own (the Madanapalle) office.

4. For such services as he has done for the Cuddapah Board, I think 10 per cent. of the salary would be a very inadequate remuneration, in fact hardly worth offering him. I think he is fairly entitled to 75 per cent. of it as the Board have voted.

5. Should, however, the section of the Account Code I have above quoted preclude the grant of such a large allowance, I have the honor to request that it may be sanctioned as a special case.

Referred to the Accountant-General for his opinion.

Acting Sub-Secretary.
