GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

4th April 1881, No. 593.

Local Funds—Education.

Read the following paper :—

*Proceedings of the Board of Revenue, dated 22nd March 1881, No. 3012 (Miscellaneous)
[Current No. 752].*

Read the following letter from H. B. GRIGG, Esq., Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 14th December 1880, No. 5797 :—

Adverting to the Budget Estimate of the South Arcot Circle for 1881-82, I have the honor to state that the provision therein made for education is considered sufficient by the Inspector of Schools.

2. The allotment for Inspection includes the pay and allowances of the Sub-Inspector and his peon sanctioned in G.O., dated 14th June 1880, No. 1175. It is proposed to give the Sub-Inspector's peon daily batta of $1\frac{1}{2}$ annas, as in the case of Deputy Inspector's peons; as regards the question of allowing the Sub-Inspector a peon and of giving him batta, I think that the Government should be asked to reconsider their opinion that no peon would be necessary for this class of officers (G.O., No. 1452, of the 27th July 1880), as a Sub-Inspector's duties are to be in every way similar to those of an Inspector, and he needs similar aid.

3. For Local Fund Schools Rs. 17,421, or Rs. 1,261 more than in the current year is allotted to meet (1) the cost of the new school to be opened at Vriddhachalam as a feeder to the Government Middle School, (2) the salaries of the additional masters proposed for certain schools, and (3) the increase of 20 per cent. on the fixed pay of certain certificated masters. Instead of a separate feeder school being established at Vriddhachalam, I beg to suggest that the Local Fund classes may be located in the same building as the Government Middle School. By this arrangement not only will the lower classes of the Government School constituting the Primary Department develop into a good Local Fund Primary School under the supervision of the Government Head Master, but higher classes may be opened in the Government Middle School in time without additional burden on Provincial Funds. It is noted that six of the schools on the salary system are to be placed on the combined system though they will still continue essentially Local Fund Schools.

4. The assignments for Training Schools, Results Grants, and Miscellaneous charges appear to be adequate, and call for no remark.

Submitted to Government in continuation of the Board's Proceedings, dated 15th December 1880, No. 1917, reviewing the Local Fund Budget of the South Arcot Circle for 1881-82.

2. The Board agree with the Director in opinion that peons are necessary for Sub-Inspectors whose duties and responsibilities are similar to those of Deputy Inspectors of Schools.

3. The President will report on the suggestion made in paragraph 3 of the foregoing letter.

Pam; as regards the question of
allowing the Sub-Inspector a permit
of giving him better I think that the
Government should be asked to reconsider
their opinion that no permit would be
necessary for this class of officers (G.O.

Inspector's duties are to be in every way

masters proposed for certain schools
and (3) the increase of 25 per cent

2 The Board agree with the Director
