GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

19th April 1881, No. 649.

Municipal—Loans.

Read the following paper :—

From A. T. ARUNDELL, Esq., Acting President of the Municipal Commission, Madras,
to the Chief Secretary to Government, dated 11th March 1881, G. No. 100 [Current
No. 632]

I have the honor to enclose a copy of a resolution passed at the last General Meeting of the Commissioners on the 9th instant, regarding the raising of a loan of one lakh of rupees as provided in the budget for 1881, for the extension of the water-supply throughout Madras.

2. The estimated cost of the extensions proposed is Rs. 3,35,000, of which it is intended to borrow and expend Rs. 1,00,000 during the current year and the remainder in 1882-83. The raising of the loan of one lakh was approved in G.O., No. 126, dated 25th January.

3. I beg to be informed (1) whether the Government will favorably consider an application for the required loan under the Local Public Works Loan Act, 1871, and (2) whether the application can be submitted for one lakh only out of the Rs. 3,35,000 which the total work is estimated to cost.

ENCLOSURE No. 1.

Resolution.

Proposed by Mr. J. G. Ferrand and seconded by Mr. F. Rowlandson—

“That formal application be renewed to Government for a loan of three lakhs of rupees to complete the distribution of the water-supply. One lakh to be expended in 1881, and two lakhs in 1882.

“This application is made on the understanding that the Government have no intention of reimposing the charges now held in suspense.”

To which as an amendment it was proposed by Mr. Y. Venkataramiah and seconded by Mr. V. Krishnama Charriar—

“That application be made at present only for a loan of one lakh of rupees, and that the consideration of borrowing the other two lakhs be postponed pending the passing of the revised Municipal Act.

“The amendment being put to the vote was carried by 17 pro to 8 con.”

ORDER THEREON, 19th April 1881, No. 649.

As at present advised, the Government see nothing to prevent the Madras Municipality from obtaining the loan they require under “The Local Authorities Loan

Act, 1879" (which supersedes the Local Public Works Loan Act, 1871, quoted by the President), on complying with the rules regulating applications under the Act; nor does it appear necessary that the application to be submitted comprise the whole amount of the estimated cost of work or more than is required.
