Local Funds—Budgets.

Read the following papers :—

Proceedings of the Board of Revenue, dated 26th January 1881, *No.* 119 [*Current No.* 260].

ABSTRACT.—Reviewing and submitting to Government Local Fund Budget of Vizagapatam Circle for 1881-82.

Proceedings of the Board of Revenue, dated 17th February 1881, *Miscellaneous No.* 1701 [*Current No.* 410].

Read the following letter from H. B. GRIGG, Esq., Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 11th December 1880, No. 5762 :—

In enclosing copy of a letter from the Inspector of Schools, 1st Division, submitting his remarks on the Budget Estimate of the Vizagapatam Local Fund Circle, I have the honor to state that, as the General Fund is made to close with an unappropriated balance of Rs. 35,732 besides a general reserve of Rs. 7,400, the provision for results grants may be raised to Rs. 8,000, and that an assignment of Rs. 5,140 may be made for opening twenty schools on the combined system agreeably to the Inspector's suggestion.

2. The grants to which the three teachers of the Salary Grant School at Srungavarapucota are eligible appear to be Rs. 92, Rs. 44, and Rs. 20, respectively, instead of Rs. 96, Rs. 60, and Rs. 60.

3. No provision is made for the opening of Elementary Normal Schools, although, considering the large number of Primary Schools in the district, which must be in charge of masters who are not only uncertificated, but who are too ignorant to teach even very elementary classes efficiently, the establishment of such schools in addition to the Government Elementary Normal School at Vizagapatam is very desirable. I am now calling on the Inspector to report on the subject prior to bringing the question before the Local Fund Board for consideration.

ENCLOSURE No. 2.

From A. MONRO, Esq., Inspector of Schools, 1st Division, to the Director of Public Instruction, dated Waltair, 29th November 1880, No. 1204.

In forwarding the enclosed Budget Estimate of the Local Fund Board, Vizagapatam Circle, for 1881-82, I have the honor to state that the provision made for results grants, viz., Rs. 5,000, is insufficient to meet the requirements of the district.

2. In the year 1877-78, when the present rate of grants was in force, the actual expenditure under results grants was Rs. 8,424. The grants actually paid in 1879-80 were Rs. 4,866 at the reduced rates, and this was less than the amount due for that year. The rates are now raised to the former scale, and there is every probability of there being as great a number of schools on the results system in 1881-82 as in 1877-78. Under these circumstances, I would suggest that the Local Fund Board be moved to raise the provision Rs. 5,000 to Rs. 8,000.

3. The Board has not made any provision for new schools to be opened on the combined system during 1881-82. The education imparted in these schools is, I think, sounder than in Results Schools. The masters of Combined System Schools, being servants of the Board, are more amenable to discipline. They cannot absent themselves from duty, or arbitrarily close their schools, as is often the case with schoolmasters on the results system. I am strongly in favor of the extension of schools on the combined system. I would therefore recommend that at least twenty new schools on this system be opened in this district in the next official year.

Submitted to Government in continuation of Board's Proceedings, dated 26th January 1881, No. 119, reviewing the Local Fund Budget of the Vizagapatam Circle for 1881-82.

2. The President is requested to lay the Director's letter before the Local Fund Board and ascertain their views regarding the several points therein noticed.

Proceedings of the Board of Revenue, dated 23rd February 1881, Miscellaneous No. 1897 [Current No. 459].

Read the following letter from Surgeon A. J. STURMER, Secretary, Surgeon-General with the Government of Madras, to the Secretary to the Board of Revenue, dated Fort St. George, 2nd December 1880, No. 6610 :—

With reference to the 1881-82 Local Fund Budget Estimate of the Vizagapatam Circle, Grant III, I have the honor, by desire of the Surgeon-General, to report to your Board that the sum set apart for the maintenance of the nine dispensaries is sufficient and calls for no remarks except in the items of "Medical Subordinate" and "Furniture, &c."

2. The sum of Rs. 1,170 provided as the pay of the Medical Subordinate of the Narsapatnam Dispensary should be reduced to Rs. 450, being three-fourths of the pay of the Civil Apothecary now attached to the institution.

3. Rs. 180 are entered for the salary of the Medical Subordinate of the Yellamanchili Dispensary. It should be increased to Rs. 360, the three-fourths of the pay of the Second-class Hospital Assistant now in medical charge of the institution.

4. The three-fourths of the pay of the Civil Hospital Assistant attached to the Chípurupalle Dispensary should be increased from Rs. 180 to Rs. 250, as he will be entitled to charge allowance of Rs. 10 per mensem from July 1881.

5. The current year's grant is repeated for "Furniture, &c." It should be reduced to certain extent, as new furniture is not required every year.

6. A sum of Rs. 1,160 is entered as the contribution towards the expenses of the Medical College.

Submitted to Government in continuation of Board's Proceedings, dated 26th January 1881, No. 119, reviewing the Local Fund Budget of the Vizagapatam Circle for 1881-82.

2. The alterations pointed out in paragraphs 2, 3, and 4 of the foregoing letter will be made in the budget on its receipt from Government.

Acting Sub-Secretary.

2. In the regular estimate land-cess is expected to yield Rs. 10,000 more than was anticipated in the budget, viz., Rs. 2,00,000; but the amount is still less than the actuals of 1879-80 by nearly Rs. 17,000. The President should complete without delay the revision of land-cess in respect of the remaining estates alluded to in paragraph 4 of the Board's Proceedings, dated 26th January 1881, No. 119. The provision for tools and plant under Grant I seems high. The regular estimate as revised by the Board of Revenue does not call for further remark.

3. The estimated receipts for 1881-82 do not vary greatly from the regular estimate for 1880-81, and are accepted. Under the authority of G.O., Financial Department, dated 11th December 1880, No. 2312, the Board of Revenue may sanction the introduction of the market-fee system into the villages of Párvatipur and Pálkonda.

4. The reduced provision under Grant I, Public Works, is sufficiently explained. With reference to the remarks of the Director of Public Instruction recorded in Board's Proceedings, dated 17th February 1881, Miscellaneous No. 1701, the provision for results grants should be raised from Rs. 5,000 to Rs. 8,000, and a fresh assignment of Rs. 5,140 made for opening twenty new schools on the combined system. Statement No. III of the budget should be adopted in reporting the names of places selected for these schools, with other particulars concerning them. The amount of salary grant provided for the teachers of the school at Srungavarapucota should also be revised and the correct amount entered. The pay of the medical subordinates attached to the dispensaries at Narsapatnam, Yellamanchili, and Chípurupalle should be calculated with reference to the observations of the Surgeon-General, and the allotment for furniture and sundries reduced by one-half. The Board's remarks regarding vaccination and sanitation are noted. Particulars of the "market charges" should be given in Statement IV-A of the budget. As regards the charges under Grant IV, the Board are correct in disallowing the provision for temporary establishment, which should be dispensed with at once now that an audit establishment has been permanently attached to each district. For reasons stated in paragraph 35 of the Board's review the Government decline to raise the pay of the Circle Board's Head Clerk from Rs. 60 to 80 a-month. The increased rate of pay to the peon is sanctioned.

5. With these remarks the Right Honorable the Governor in Council passes the budget of the Vizagapatam Circle for 1881-82.

No. 119.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th January 1881.

Read the following letters:—

From the President of the Local Fund Board, Vizagapatam Circle, dated 12th November 1880, No. 1,005.

From the President of the Local Fund Board, Vizagapatam Circle, dated 18th November 1880.

ABSTRACT.—Forwarding Statement II-B of the Budget.

From Surgeon-Major M. C. FURNELL, M.D., F.R.C.S., Sanitary Commissioner for Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Madras, 2nd December 1880, No. 1,302.

I HAVE the honor to report that from the Budget statements furnished to me by the Vizagapatam Local Fund Board I find that a sum of Rs. 13,000 has been set apart for the Sanitary requirements of the circle for the year 1881-82. This stands in proportion to income at 18·5 per cent. and may be accepted. The allotment is the same as that for the current year.

2. The Vaccination grant amounts to Rs. 6,700. This is less than the grant for the current year by Rs. 2,500. No details of establishment are given to show how this amount will be distributed. The decrease in the allotment is owing chiefly to a reduction in the establishment sanctioned in G.O., No. 1,290, dated 2nd July 1880.

3. I observe that the Local Board have resolved to discontinue giving batta to persons vaccinated; I do not consider this to be a wise proceeding, for the grant of a small sum of money as batta will induce persons to come forward to get vaccinated and thus encourage vaccination.

THE Local Fund Budget of the Vizagapatam Circle for 1881-82 will be submitted for the orders of Government.

REGULAR ESTIMATE FOR 1880-81.

2. RECEIPTS.—According to the Local Fund report for 1879-80 as revised in this office the total balance in favor of the circle on the 1st April 1880 was Rs. 1,83,763.* This amount closely approximates with that (Rs. 1,83,753) recently furnished by the Accountant-General with but a trifling excess (Rs. 10), which will be left unnoticed. The balance, however, exceeds that anticipated when the sanctioned estimate was framed, owing chiefly, as elsewhere, to short expenditure on Public Works. Apart from the balance the receipts now estimated (Rs. 2,26,628) show an increase of Rs. 10,208 over the budgetted figure.

		Rs.
*Road Fund		1,37,203
General Fund		46,560
	Total ...	1,83,763

3. Land Cess is expected to yield Rs. 2,10,000, or Rs. 10,000 more than what was anticipated in the Budget, the increase being due to the improvement in the season. The amount is in excess of one year's current demand, but the President anticipates its collection.

DISPOSED OF

BY G.O. No.

4. The revision of Land Cess referred to in the Government Order* on the Budget of this circle for the current year was reported on in the Circle Report for 1879-80 forwarded to Government with Board's Proceedings, dated 24th September 1880, No. 1,399. It has been partially carried out and has resulted in an increase of Rs. 3,494, and when complete will probably make up that amount to Rs. 10,000.

*Dated 15th March 1880, No. 558, paragraph 3.

5. The total receipts available for expenditure amount to Rs. 4,10,391, distributed as follows :—

	Rs.
Road Fund	2,88,831
Endowment Fund	200
General Fund	1,21,360
Total ...	4,10,391

6. Expenditure.—The total expenditure under all the grants as now calculated comes to Rs. 2,98,547, or Rs. 3,207 in excess of that originally estimated. The excess appears chiefly under Grants I and IV.

7. For New Works, Communications, Rs. 20,500 were allotted in favor of the Public Works Department. The expenditure returned by that department amounts to Rs. 23,623, made up of Rs. 65 for work and the remainder for compensation for lands taken up, for which no allotment appears to have been sanctioned.

The total allotments sanctioned up to date for New Works and Repairs, Communications, according to registers kept in this office are Rs. 1,01,910 and Rs. 1,00,016, respectively, of which Rs. 89,138 under the former and Rs. 91,826 under the latter are expected to be utilized during the current year.

8. The amounts sanctioned for Civil Buildings and Miscellaneous Public Improvements are to be spent in full.

9. The cost of the Engineering Establishment is calculated with reference to G.O., Financial Department, dated 15th July 1880, No. 1,362. The transfer of charge of the Public Works of the district to the Local Fund Board's own engineering establishment has necessitated an unusually large outlay on the purchase of tools, &c., and the Budget provision, Rs. 4,510, has accordingly been raised to Rs. 11,000.

10. Provision for payment† to the Vizagapatam Municipality for the upkeep of the portion of the roads lying within its limits accounts for the increase of Rs. 600 in the item of "Contributions."

† G.O., Financial Department, dated 15th July 1880, No. 1,363.

11. The charges under Grants II and III are estimated with reference to actual requirements and differ but slightly from the Budget entries. The contribution to the Medical College and Vaccine Agency has been unnecessarily raised to Rs. 2,057, but the instructions conveyed in Board's Proceedings, dated 24th August last, No. 1,322, do not apply to the current year, and the original Budget provision, Rs. 1,580, will be restored.

12. The sum of Rs. 2,690 provided for the Circle Board's establishment includes a charge for a temporary‡ establishment as well as for the Audit establishments sanctioned in the Government Order marginally noted.§ These items should have been separately exhibited with their respective allotments, but the necessity for the retention of the temporary establishment is not apparent.

‡ G.O., Financial Department, dated 17th February 1880, No. 333.

§ G.O., Financial Department, dated 22nd March 1880, No. 609.

BUDGET OF 1881-82.

14. Statement I-A,—Revenue and Receipts. Land Cess.—From the total demand of Rs. 2,21,119 (Rs. 17,119 arrear and Rs. 2,04,000 current) it is expected to collect Rs. 2,10,000 as in the current year. The receipts from Tolls are estimated at Rs. 10,000 with reference to the entry in the Regular Estimate. The Circle Board propose to introduce the market-fee system in two villages, Párvatipur and Pálkonda, and Rs. 520 are entered as the probable revenue from this source.

15. The assets of the year amount to Rs. 3,31,220 and are classified below :—

	Rs.
Road Fund	2,16,040
Endowment Fund	520
General Fund	1,14,660
Total ...	3,31,220

16. Expenditure—Grant I, Public Works—Statement II, Road Fund.—The share of the Cost of General Management chargeable to the Road Fund should be Rs. 5,460 in lieu of Rs. 6,240 as entered by the Local Fund Board and the charge for stationery and postage Rs. 970 instead of Rs. 990. The total Road Fund expenditure amounts to Rs. 1,87,560, leaving a balance of Rs. 28,480.

17. Statement II-A, Part I, New Works.—Part I contains twelve Road Fund works with an aggregate allotment of Rs. 62,040. The works marginally noted* are unsanctioned, but estimates are promised. Some† of the works appeared in the current year's Budget with the same remark, and the preparation of the estimates should be expedited.

18. The Budget provision of the present year, Rs. 2,000, is again entered for Avenues. Nothing is to be spent on new buildings.

19. PART II, REPAIRS.—Rs. 82,470 are allotted for Road repairs against Rs. 94,770 in the current year. The maintenance grants of several of the roads have been revised with reference to their present condition. Item No. 12 in the Appendix with an allotment in excess of Rs. 1,000 should appear in Part II, to which it will now be transferred agreeably to Clause I, No. 23, of the revised Local Fund Rules.

20. Rs. 2,370 are provided for Civil Buildings, which include repairs to dispensaries, school-houses, chattrams, and travellers' bungalows.

The charges under Grant I are—

	Rs.
Road Fund	1,82,100
General Fund	5,020
Total ...	1,87,120

21. In paragraph 13 of his letter read above the President states that the Circle Board have transferred the bungalow at Soobbavaram to the Police Department. The terms under which the transfer was effected and other particulars concerning it should be reported.

22. GRANT II, EDUCATION.—The total expenditure under Grant II will be much the same as in the current year, but from Statement III the Board observe that considerable changes are to be effected in the number and pay of the teaching staff attached to several of the schools. The necessity for the measure should be explained.

23. Grant II is Rs. 23,410, chargeable to the General Fund.

24. GRANT III, MEDICAL RELIEF.—The cost of Hospitals and Dispensaries is given as Rs. 13,460 against Rs. 14,120 in the current year. The decrease is chiefly in the items of Salaries of the Medical Subordinates and Diet of Patients. The Surgeon-General has communicated no remarks on this portion of the Budget; the estimate of the Local Fund Board will accordingly stand unaltered.

25. VACCINATION.—Rs. 6,700 are provided for Vaccination, which is Rs. 2,500 less than the amount provided for the current year. The Sanitary Commissioner states that he is not in possession of details as to the distribution of the amount, and the attention of the President is called to paragraph 11 of the Board's Circular Proceedings, dated 20th August 1879, No. 1,366, which should be complied with. The reduction in the number of Second-class Vaccinators sanctioned in the Order marginally noted and the proposed discontinuance of batta to persons vaccinated mainly account for the decreased expenditure. The Sanitary Commissioner is opposed to the latter step, and the President will again bring the matter before the Circle Board. There is no entry under "Batta to Probationary Vaccinators" as these men are apparently not required to itinerate.

G.O., Financial Department, dated 2nd July 1880, No. 1,290.

26. SANITATION.—Under the head of Sanitary Establishment a lump sum of Rs. 12,000 against Rs. 5,657, the actuals of 1879-80, is entered. In future the proposed distribution of expenditure under this head should be shown under the usual heads, viz. :—

Improvement of Water-supply,
Improvement of Village-sites.
Scavengering Establishment, &c.

27. The charges proposed in connection with markets are Rs. 120 in excess of the available income (Rs. 520) from this source. In Statement IV, which relates to the transactions of this Fund, the cost of the fixed establishment should be distinguished from that of contingencies, &c. The necessary alterations have now been made.

654/17

28. The payments to be made towards the Medical College and on account of Vaccine Inspecting Agency will be Rs. 1,130.

29. Grant III is Rs. 39,920, of which Rs. 39,400 are chargeable to the General Fund and the remainder to the Endowment Fund.

30. GRANT IV, MISCELLANEOUS.—The contribution for the Controlling Establishment at the Presidency (Rs. 1,180) is repeated as in the current year's Budget, but it should be Rs. 2,540, which will now be inserted.

31. In paragraph 26 of the President's letter it is stated that Rs. 5,302 are provided in the Budget for the establishment of the Local Fund Board, the details of which are given below :—

	Rs.
1. Controlling Establishment at the Presidency and the District Audit Establishment	2,728
2. Cost of the Correspondence and Account Branches of the Circle Board...	2,322
3. Increase of pay to the Circle Board's Head Clerk ...	240
4. Increase of pay to the Circle Board's Office Peon ...	12

32. The President explains that the first item is intended to meet the cost of the Audit establishment in the offices of the Local Fund Board, the Accountant-General, and of the establishment entertained in the Deputy Chief Engineer's office for the scrutiny of plans and estimates. The item is disallowed as the provision of Rs. 2,540 noticed above represents the circle's share of the cost of all the establishments in the Presidency, but the cost of the District Audit Establishment calculated at Rs. 95 a month, or Rs. 1,140 per annum, will be shown as a distinct item.

33. The second item is made up of Rs. 1,782,* the cost of the Circle Board's office establishment, and Rs. 540,† that of the Account establishment employed in the Collector's office. It is observed that the former amount includes the cost of the temporary establishment at Rs. 50 a month sanctioned in G.O., Financial Department, dated 17th February 1880, No. 333. This establishment was intended to cope with the temporary increase of business in the President's offices until the new arrangements consequent on the transfer of the Local Fund works from the Public Works Department to Other Agency were matured and the necessary establishment sanctioned. Now that an office establishment for the Local Fund Engineer and another for the audit of accounts in the President's office have been permanently entertained, the Board are of opinion that the establishment in question should no longer be required and have accordingly disallowed the provision of Rs. 600.

Total ...	45 × 12 = 540

34. The allotment of Rs. 540 for the Account establishment in the Collector's office being separately shown in the Budget may be left undisturbed.

35. As regards the increase of Rs. 20 proposed to be given to the Circle Board's Head Clerk, the Board observe that he is already paid Rs. 60 a month, a salary which is not allowed to any of the Clerks in other circles which are of equal or greater importance, and as additional establishments have been sanctioned to take up the additional work caused by the recent changes the Board think that the increase proposed should be disallowed but that the increased rate of salary for the peon may be sanctioned.

Read the following letter from H. B. Grigg Esquire, Director of Public Instruction, to C. A. Galton Esquire, Secretary to the Board of Revenue dated Madras 11th December 1880 № 5762.

I enclosing copy of a letter from the Inspector of Schools, 1st Division, Submitting his remarks on the Budget Estimate of the Vizagapatam Local Fund Circle. I have the honor to state that as the general Fund is made to close with an unappropriated balance of Rs. 35,732 besides a general reserve of Rs. 7,400, the provision for Results grants may

From The Inspector of Schools,

To The Director of Public Instruction,
Madras.

Sir,

I forwarding the enclosed Budget Estimate of the Local Fund Board, Vizagapatam Circle, for 1881-82, I have the honor to state that the provision made for Results grants, Viz. Rs. 5,000, is insufficient to meet the requirements of the District.

2. In the year 1877-78, when the present rate of grants was in force, the actual expenditure under Results grants was Rs. 8,424. The grants actually paid in 1879-80 were Rs. 4,866, at the reduced rates, and this was less

be raised to Rs. 8,000 and that an assignment of Rs. 5,140 may be made for opening 20 schools on the Combined System agreeably to the Inspectors suggestion.

2. The grants to which the three teachers of the Salary grant School at Srungavarapucota are eligible appear to be Rs. 92, Rs. 44 and Rs. 20 respectively instead of Rs. 96, Rs. 60 and Rs. 60.

3. No provision is made for the opening of Elementary Normal Schools, although considering the large number of Primary Schools in the District, which must be in charge of masters who are not only uncertificated but who are too ignorant to be [illegible]

than the amount due for that year. The rates are now raised to the former scale, and there is every probability of there being as great a number of Schools on the Results System in 1881-82 as in 1877-78. Under these circumstances I would suggest that the Local Fund Board be moved to raise the provision, Rs. 5,000 to Rs. 8,000.

3. The Board has not made any provision for new Schools to be opened on the combined system during 1881-82. The Education imparted in these Schools is, I think, sounder than in Results Schools. The masters of Combined System Schools, being servants of the Board, are more amenable to discipline. They cannot absent themselves from duty, or arbitrarily close their Schools, as is often the case

with schoolmasters on the Results System. I am strongly in favor of the extension of Schools on the Combined System. I would therefore recommend that at least 20 new Schools on this system be opened in this District in the next official year.

2. In the Regular Estimate Land Cess is expected to yield Rs 10,000 more than what was anticipated in the budget viz Rs 2,000,00; but the amount is still less than the actuals of 1879-80 by nearly Rs 17,000. The President should complete without delay the remission of Land cess in respect of the remaining Estates alluded to in para 41 of the Board's Pro: dated 26th January 1881 No 119. The provision for tools and plant under Grant I seems high. The Regular Estimate as revised by the Board of Revenue does not call for further remark.

3. The estimated receipts for 1881-82 do not vary greatly from the Regular Estimate and are

are accepted. Under the authority of G.O. F.D. dated 11th December 1880 No 2312 the Board of Revenue may sanction the introduction of the market fee system into the villages of Parvatipur and Palkonda.

4. The reduced provision under Grant I, Public Works is sufficiently explained. With reference to the remarks of the Director of Public Instruction recorded in Board's Ro: dated 17th February 1881 Misc. No 1701 the provision for Results Grants should be raised from Rs 5,000 to Rs 8,000 and a fresh assignment of Rs 5,140 made for opening 20 New Schools on the combined system. Statement No III of the budget should be adopted in

654/30 8P

in reporting the names of places selected for these schools with other particulars concerning them. The amount of Salary Grant provided for the teachers of the School at Srungavarapucota should also be revised and the correct amount entered. The pay of the Medical Subordinates attached to the Dispensaries at Narsipatam, Ellamanchili and Chipurupalli should be calculated with reference to the observations of the Surgeon General and the allotment for furniture and Sundries reduced by one half. The Board's remarks regarding Vaccination and Sanitation are noted. Particulars of the "Market charges" should be given

in

in Statement IV A of the budget.
As regards the charges under
Grant IV the Board are correct
in disallowing the provision
for temporary Establishment
which should be dispensed with
at once, now that an audit
Establishment has been perma-
-nently attached to each
District. For reasons stated
in para 35 of the Board's
Review the Government de-
-cline to raise the pay of
the Circle Boards Headclerk
from Rs 60 to 80 a month.
The increased rate of pay
to the peon is sanctioned.

5. With these remarks the
Right Honorable the Governor
in Council passes the
budget of the Vizagapatam
Circle for 1881-82.
