Account Codes.

Read the following paper:—

From H. St. A. GOODRICH, Esq., Acting District Judge, Nellore, to the Chief Secretary to Government, dated 25th March 1881, No. 132 [Current No. 791].

I have the honor to request that you will be good enough to obtain the sanction of Government for the supply of three copies of the Civil Account Code, Second Edition, to the District Munsifs of Ongole, Nellore, and Kávali.

2. One copy of the said Code was only supplied to this Court. The District Munsifs having been authorized to draw on their own bills their salaries, those of their establishments, and the contingent money, require occasionally to refer to the Code.

No. 656.

FORT ST. GEORGE,
4th April 1881.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 6th April 1881, No. 1299 [Current No. 890].
Correspondence Department.

With reference to your endorsement, No. 656, dated the 4th April 1881, referring, for my opinion, a letter from the District Judge, Nellore, requesting to be supplied with three copies of the Civil Account Code, Volume I, Second Edition, for the use of the District Munsifs, I have the honor to state that such officers have not hitherto been supplied with copies of the Civil Account Code, and that I do not consider it necessary that they should be, as the references by them to the Code would be so very few. Any instructions which they require with regard to the preparation of bills could easily be obtained by them from the District Judge without putting Government to the expense of supplying a copy of a Code to each Munsif, by far the greater part of which he would never have occasion to refer to at all.

ORDER THEREON, 20th April 1881, No. 659.

The Government concur in the Accountant-General's remarks which will be communicated to the District Judge, Nellore.
