GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

14th May 1881, No. 851.

Municipal—Lands.

Read the following paper:—

From A. T. ARUNDEL, Esq., Acting President of the Municipal Commission, to the Chief Secretary to Government, dated Madras, 27th April 1881, No. 498 [Current No. 1051].

I have the honor to request that the Government will be pleased, for the following reasons, to transfer to the Municipality for building purposes a small piece of land, measuring 17 grounds, $416\frac{1}{2}$ square feet, forming part of what was originally known as the Western Esplanade, made over to the Commissioners for conservancy purposes by G.O., No. 4117, dated 24th December 1863, but entered in the Deputy Collector's Register as Government property.

2. The land lies to the west of the Salt Cotaurs Station and to the east of Basin Bridge Road as shown in the annexed plan. It was originally like the rest of the Western Esplanade a swamp, but has been gradually raised and reclaimed by the deposit of rubbish.

3. The plot is required to make over to the Agent of the Spinning and Weaving Mills Company, in lieu of a piece of ground of equal extent belonging to the Company and abutting on the Municipal Sewage Farm in D'Mellow's Road. The Agent desires to erect a new store-house, &c., on the Company's land, but is willing to exchange this site for one in the reclaimed land just opposite the Mills if the Municipality wish it.

4. The land belonging to the Company will form a valuable addition to the Municipal Sewage Farm, and this improvement can be effected if the Government will sanction the grant of the other site at the corner of the reclaimed swamp.

5. The enclosed sketch map shows the necessary particulars.
