GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

14th May 1881, No. 862.

Municipal—Medical.

Read the following papers:—

From W. S. FOSTER, Esq., President of the Municipal Commissions, Goddvari District, to the Chief Secretary to Government, dated Cocanada, 11th March 1881, No. 10 [Current No. 681].

Government having ordered the withdrawal of the grant of Rs. 1,440 made to the Seamen's Hospital at Cocanada in their Order of the 12th April 1880, No. 749, the institution is obliged to be entirely supported by the Municipality, and this the Municipality finds very hard to bear. The Commissioners request that a sum of Rs. 600 may be allowed by Government as an annual grant to the Dispensary for the services rendered by the institution to the Government servants of the various departments located in the town and neighbourhood. As this request of the Municipality seems to me to be fair for the heavy loss the Dispensary funds have sustained by the withdrawal of the grant above referred to, I have the honor to request that the Government will be pleased to make the grant asked for by the Municipality for treating their servants from the Provincial funds.

2. During the past year 327 Government officials were treated at the Dispensary.

No. 589.

Referred to the Surgeon-General with the Government of Madras for his remarks.

Under Secretary.

From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 30th March 1881, No. 130 [Current No. 836].

With reference to letter from the President, Municipal Commission, Goddvari Circle, referred with your endorsement, No. 589, of the 24th instant, requesting a grant from Government of Rs. 600 annually in consideration of medical aid furnished to public servants by the Municipality of Cocanada, I have the honor to recommend that, in consideration of the recent withdrawal of Government aid from the Seamen's Hospital, His Excellency the Governor in Council may be pleased to authorize a grant of 600 rupees per annum towards the fund of the Municipal Hospital at Cocanada.

2. I would suggest that of this sum, if granted, Rs. 360, or a moiety of the salary of the First-class Hospital Assistant, be considered a portion of the grant.

ORDER THEREON, 14th May 1881, No. 862.

The Government accept the recommendation of the Surgeon-General, and sanction, as a special case, the grant of Rs. 600 as an annual contribution from Provincial

Funds towards the cost of the Municipal Dispensary at Cocanada. The amount will be distributed in the manner suggested by Dr. Cornish.

2. The contribution will be payable from the commencement of the current financial year.
