FINANCIAL DEPARTMENT.

25th May 1881, No. 924.

Read the following paper :—

From E. BARCLAY, Esq., Government Solicitor, to the Chief Secretary to Government, dated Madras, 13th May 1881, No. 221 [Current No. 1171].

I beg to bring to the notice of Government that by one of the rules of the High Court at Madras every paper or document presented to or filed in the Court must be written or engrossed on foolscap folio paper (cream wove machine, drawing 19 lbs. per mill ream or thereabouts), and that on my applying to the Superintendent of Stationery for (amongst other things) paper of the quality required by the rule of the Court, he informs me that paper of the description required by me is not available for supply, and that the paper usually supplied to all other offices will be supplied to me.

2. I may mention that the quality of the paper required to be filed in Court is procurable in the market, and I would suggest that either the Superintendent of Stationery be authorized to purchase the description of the paper required and to supply me with it, or that I be authorized to purchase same and debit the price of it to Government.

3. I forward herewith for inspection two sheets of paper, that marked No. 1 is the kind required to be filed in Court, and that marked No. 2 is of the description which the Superintendent of Stationery proposes to supply.

ORDER THEREON, 25th May 1881, No. 924.

The Superintendent of Stationery will procure and supply paper of the description required by the rule of the High Court.
