Local Funds—Establishment.

Read the following paper :—

Proceedings of the Board of Revenue, dated 13th May 1881, No. 837 [Current No. 1246].

Read the following letter from A. CRUICKSHANK, Esq., President of the Local Fund Board, South Arcot Circle, to E. GIBSON, Esq., Acting Secretary to the Board of Revenue, dated Kurinjipandi, 4th May 1881, No. 27 :—

The choice of Supervisors in this Circle has turned out unfortunate, one having resigned as suggested to him, and the other having been dismissed. The Local Fund Engineer submitted, for the consideration of the Board, a proposal to employ an Assistant Engineer in lieu of two Supervisors, and his proposal was approved of by the Board at their Meeting held on the 30th ultimo. A copy of the Resolution is herewith submitted. It shows the cost of the two Supervisors and their establishments and that of the Assistant Engineer proposed with his establishment. From this it will be seen that the new arrangement if carried out will cost Rs. 4 per mensem or

provided in the current year's budget for the cost of Engineering establishment. I have therefore the honor to request that the Board will be good enough to obtain the sanction of Government to the change proposed at a very early date, as the Local Fund Engineer is now without any assistance in supervision.
