From M. HAMMICK, Esq., I.C.S., Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 3rd December 1895, No. 5840.

With reference to your telephone message of yesterday, I have the honour to state that the punitive police in Malabar district having been sanctioned by Government before the submission of my budget estimate, the cost was included in the charges—*vide* remarks against “Temporary establishment,” District Executive Force. The recoveries (Rs. 2,800) are included in Rs. 40,000 shown under head “Police supplied to public departments, private companies and persons” in the estimate of receipts.

EXPLANATORY REMARKS.

(a) The large receipts are due to recovery of the cost of Police on the South Indian Railway from July to December 1893 being effected in 1894-95 owing to certain correspondence in regard to the adjustment of cost of the Police at certain stations.

(b) The recoveries are under the Hackney Carriage Act in Trichinopoly and Srirangam—vide G Os., No. 2076, Judicial Department, dated 28th August 1894 and No. 873, Financial Department, dated 11th September 1894.

(c) Rents paid by the Superintendents of Police, Gódvári and Kistna and the Assistant Superintendent of Police, Narsapur, for the use of Government boats were hitherto shown under this head. According to the Accountant-General's instructions they have been transferred now to the head 'miscellaneous' under which rents of huts, &c., are shown.

(d) The large receipts compared with the estimate are due to the return of a number of Muzzle Loading Smooth Bore Carbines into the Arsenal. About 200 carbines are expected to be returned during the current year and none in 1896-97. The estimates have therefore been reduced.

(e) Includes Rs. 521 on account of boat rents. The receipts fluctuate. The past three years' average is Rs. 4,000.

(f) More huts are being gradually built. Hence the increase.
