G.O., No. 807, Financial, dated 11th October 1895.

ABSTRACT.—Passing orders on the budget estimate of the Political Agent, Pudukkottai, for 1896-97, and directing that, as the recoveries from the Pudukkottai State on account of the cost of the establishment are deducted from the charges, the contributions for pensions should be credited to XXII. Superannuation Receipts—Provincial.

G.O., Mis. No. 852, Financial, dated 31st October 1895.

Read—the following letter from F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 24th October 1895, No. 2924 :—

With reference to G.O., No. 807, Financial, dated the 11th October 1895, I have the honour respectfully to point out that the instructions contained in paragraph 2 of the Government order cannot be carried out in their entirety as the Comptroller-General has decided that the entire recovery, including pensionary contributions on account of the Political establishment at Pudukkottai, should be deducted from charges under 25, *Political*.

Order—Mis. No. 852, Financial, dated 31st October 1895.

The Accountant-General will be requested to refer the point again to the Comptroller-General, as the recoveries including pensionary contributions exceed the charges, and it appears to be anomalous to deduct the contributions paid by Pudukkottai from the charges incurred on account of Travancore and other Political Agencies.

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 9th December 1895, No. I.B.E.-289.

With reference to G.O., No. 852, Financial, dated the 31st October 1895, I have the honour to state that I have addressed the Comptroller-General regarding the exhibition in the accounts of the recovery of pensionary contribution on account of the Political establishment at Pudukkottai, and he replies in his letter, No. 1330, dated 30th November 1895 (copy enclosed), that it should be adjusted by deduction from charges as is done in all other provinces and that the charges on account of Travancore and other Agencies may, if the Local Government so desires, be shown separately from those of Pudukkottai.

ENCLOSURE.

From A. F. COX, Esq., Officiating Comptroller-General, to the Accountant-General, Madras dated Calcutta, 30th November 1895, No. 1330.

With reference to your letter, No. I.B.E.-258, dated 11th instant, relating to the mode of adjusting the recovery on account of the Political establishment at Pudukkottai, I have the honour to say that recoveries for establishments on foreign service of the third kind, including recoveries for pension, are adjusted by deduction from the charges in all provinces, and there is no sufficient reason to sanction a departure from the existing practice in regard to the adjustment of the recovery in question. The charges on account of Travancore and other Agencies may, if the Government of Madras so desires, be shown in your accounts separately from those on account of the establishment at Pudukkottai, a separate total being made for the latter, which, with the deduction for the amount recovered, will result in a *minus* figure. The charges of the Travancore and other Agencies will not thus be reduced in consequence of the deduction, which will of course affect the total of the minor head.

ORDER—No. 1012, Financial, dated 14th December 1895.

The Comptroller-General's suggestion will be adopted.

2. The estimates for 1896-97 will then stand as follows:—
