INSPECTOR-GENERAL OF REGISTRATION,

To

The Honorable J. F. Price, C.S.I.

CHIEF SECRETARY TO GOVERNMENT,

Fort St. George.

Dated Madras, 12 November 1895.

SIR,

Adverting to G.O. No. 837 Financial dated 23rd October 1895, I have the honor to submit that the increased provision therein referred to has been made under the following circumstances:-

(1) Until recently lampoil was not allowed to the nightwatchmen of most of the Sub-registry offices in the Presidency. But as the Registrars of the several districts have represented the necessity for supplying lampoil to all the nightwatchmen in view to the better safeguarding of the registration buildings in the night time, a monthly allowance of annas 4 per office has been provided for in the budget estimate for all the offices.

(2) As the cheap locks which are now largely used for securing the record-rooms and

and outer doors of office buildings are very in-
ferior in quality, it has been decided upon to
replace them gradually by substantial English
locks at a cost not exceeding Rs. 4 per lock.

2. With reference to the remark that the
average expenditure should have been stated
against the items noted in the margin of the
G.O., I beg to state that the omission is due to
the fact that these items are thrown together
under the head Miscellaneous in the depart-
mental accounts and that owing to the late
receipt of the instructions relating to the pre-
paration of budget estimates and the diffi-
culty experienced in collating the figures under
those heads which are widely scattered over
the contingent registers kept by the District
Registrars, the actuals under the heads for the
3 years ending 1894-95 could not be ascertained
without loss of time. The necessary particulars
will however be furnished in future budget
estimates.

I have the honor to be

Dated Madras, 6 December 1895.

SIR,

With reference to memorandum No. 2811, Financial department, dated 22d November 1895, I have the honor to report that the cheap locks therein referred to have been purchased by Registrars in the local markets and that the English locks proposed to be substituted for them are the 3 inch secure lever brass padlocks sold by Messrs Spencer and Co., Madras, for Rs 3-12-0 nett.

2. The price of a Dindigul padlock of the above size containing 6 tumblers and provided with a solid key costs Rs 12-0-0 as per the statement printed in G.O. No. 842, Financial dated 10th October 1894. But as the high cost of the lock appears to be due to the tumblers, I shall ascertain from the Dindigul mechanics whether

12

whether they can supply lever locks of the kind above mentioned for less than the price fixed by Messrs Spencer and Co., and, if so, obtain the necessary supply of locks from Dindigul
