ask him
11/10

I don't know that we shall be much better off if we had to deal with Port duties. There are many long lists which we should make 11/10

Ca

I think it is pretty certain that Mr. Starnes has misunderstood the object of the D.O. to him. I think it would be well to point out to him that at present the Port Fund Budget is passed in due and allotment of funds take place there. Will he be prepared to accept the D. Sanctions for such expenditure from Port Funds in future? I don't see why he should not, in the way of the Acc't Dept

Will you draft the d/o please because you know exactly what you wish to ascertain
