PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

1. From the President, Municipal Commission, Madras, dated 30th October 1895, G.No.436, forwarding with remarks with reference to G.O., No.1177 M.Mis., dated 24th July 1895, an extract from the Proceedings of a general meeting of the Commissioners held on the 28th instant and requesting sanction for incinerators to both ends of Madras Municipality.

2. From the same Officer, dated 3rd. December 1895, G.No.513, soliciting sanction of His Excellency the Governor-in-Council to the raising of the loan of Rs.50,000 required for arranging to have the conservancy carts as Municipal property.

ORDER. No.2123 M.Mis., dated 19th December 1895.

In the first of the letters read above, the President urges that the Commissioners should, in order to pay off the debt now due to Government, be permitted to raise a loan in the open market, which the Commissioners believe can be obtained at a more favourable rate of interest than that borne by the existing loan and at the same time he communicates the request of the Commissioners that they may be permitted to make a trial of the system of incineration for the disposal of the rubbish of the city.

2. In his second letter he prefers the request that Government will sanction the raising a loan of Rs.50,000 in the open market in view to purchasing the box and rubbish carts used for conservancy purposes which are now the property of a contractor

and

and making new ones, a course which it is anticipated will effect a saving of almost Rs.10,000 per annum.

3. His Excellency the Governor-in-Council considers it at present undesirable to pass any orders with regard to the proposal made in para.3 of President's letter No.436, dated 30th October 1895. It seems better that the question of raising a loan should lie over until the total requirements on account of the drainage and water-supply of the town have been ascertained.

4. In the meanwhile however the Government determines to make the Commissioners a grant of Rs.1,50,000 for the purpose of constructing an incinerator, purchasing the existing box and rubbish carts and building such others as may be considered necessary.

5. This grant will be subject to the condition that it is not treated as a portion of the general revenue of the Municipality and is not devoted to any purposes other than those mentioned above without the previous approval of Government.
