CHIEF SECRETARIAT MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers—

From the President, District Board, Nilgiris, dated 14th November 1895, Ref. on C.No.548(a), reporting the amount of Provincial grant, for which credit is being taken in the District Board's budget on account of the maintenance of the Nilgiri section of the Gudalur-Vayitri road.

From the Financial Department, dated 22nd.November 1895, No.2802, retransferring letter from the President, District Board Nilgiris, furnishing an approximate forecast of the requirements of the District in regard to aid from Provincial Funds during 1896.

From the Financial Department, dated 18" November 1895, No.903, placing at the disposal of the Local and Municipal Department a sum of 1.25 lakh for expenditure during 1896-97 on Local Fund Public Works.

ORDER, No.2418 L.Mis., dated 12" December 1895.

The President may take credit in the District Board's budget

budget for 1896-97 for a grant from Provincial Funds of ------

Rs.81,000 for Public Works, and Rs.18,000 for General purposes.

2. If increased funds are required by the Board, it --- should supplement its resources by raising more money from --- tolls. It is observed that the toll-gate on the Gudalur-Vayitri road yields only Rs.220 per annum, or under 10As. a day, while it is proposed to spend Rs.7,000 on that line of communication. It appears to Government that there must be something defective in the levy of tolls on this road, and the President, District Board, should see to this point without delay.

3. On the Cotacamund-Gudalur road the tolls during the past year were only Rs.3,020, or much less than one quarter of the cost of the up-keep of the road. Either the tolls should be increased or the expenditure on up-keep decreased; this latter seems at present to be excessive, considering how light, judging from the amount of tolls levied, the traffic must be.
