Every letter, whether printed or in manuscript, should be docketed and abstracted on the back; and the abstract should state clearly the purport of the letter and not merely its title subject.

Enclosures and statements also, whether sent with letters, or merely under cover, should be numbered, docketed and abstracted. The headings of statements should be written in full to prevent mistakes. (G. O. 8th April 1895, No. 292, Public.)
