Proceedings of the Madras Government.

Read the following Proceedings of the Board of Revenue, Land Revenue, dated 9th. October 1895, No. 1142 H.S., on the following letter from H. G. Rawson Esq., Collector of Tanjore, dated 29th. September 1895, No. 231/ S. P. of 1895:--

I have the honor to bring to the notice of the Board that the Village Service Fund in this District is from the beginning of Fasli 1304 solely composed of cess collections under Act IV of 1893 and Government contributions adjusted to the credit of this fund under the above Act.

2. The information regarding the demand, collection & balance of the above cess is exhibited in the monthly statement of Land Revenue Demand, Collection and Balance submitted to the Board of Revenue and no separate return seems necessary for it.

3. I have the honor, therefore to request the order of the Board as to whether the Demand, Collection and Balance statement appertaining to the Village Service Fund for Fasli 1304 should be submitted on the 1st. October 1895 as usual or may be discontinued.

Resolution:--

Submitted for the orders of Govt.

2. The return was prescribed in para 7 of G. O. No. 1142 Revenue, dated 16th. September 1893, and is now submitted for the Fasli instead of for the official year. The Board agrees with the Collector that the return may be discontinued.

Order thereon. No. 4565 H.S. d/ 16th. Nov. 1895.

APPROVED.
