GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), No. 348,
dated 23rd September 1895:—

Read—the following letter from A. E. CASTLESTUART STUART, Esq., Acting
Collector of South Arcot, to the Secretary to the Commissioners of Land
Revenue, dated Tiruvannamalai, 6th September 1895, Ref. on No. 4430-
Ver.:—

In submitting herewith a statement showing the scale of village establishments
as sanctioned by the Board for the Villupuram taluk and as at present existing, I
have the honour to request the sanction of the Board for the deviations enumerated
therein, which are accounted for as follows.

2. The first sixteen cases are due to the figures showing the beriz and population
not having been correctly
entered in the Settlement
Deputy Commissioner's state-
ment dealt with in Board's
Proceedings, No. 21 (Revenue
Settlement), dated 28th Janu-
ary 1890. The correct figures
are entered in columns 11 and
12 of the enclosed statement
and the existing establishment
is in accordance with the
authorised scale.*

	Money's pay.	Karnam's pay.	Number of totes.
• Villages with beriz of Rs. 8,000 and upwards ..	Rs. 8	Rs. 10	3
Do. do. " 4,000 and under Rs. 8,000 ..	7	8	3
Do. do. " 2,000 and " " 4,000 ..	6	7	2
Do. do. under Rs. 2,000 ..	5	6	1

	Number of talaris.
Villages with population of 200 and above up to 1,500 ..	1
Do. do. of 1,500 to 3,000 ..	2
Do. do. over 3,000 ..	3

3. The village of Valla-
pattu was transferred from
Vengandur to Veeramur vattam—vide Board's Proceedings, Mis. No. 3682, dated 15th
June 1892. One toti was consequently transferred from Vengandur to Veeramur
vattam. This accounts for the increase and decrease in cases Nos. 19 and 20,
respectively.

4. Case No. 17.—Gengarampoliem is a village on the French frontier and it is
reported that three totes are absolutely necessary.

Case No. 18.—Kalianampundi vattam consists of two villages which are situated
two miles apart and two totes are therefore required. The beriz in these two cases
is slightly below Rs. 4,000 and Rs. 2,000, respectively.

5. The establishments in the abovementioned twenty cases have worked since
the introduction of the revision into the taluk by the Divisional officer who entertains
them. I beg therefore that they may be sanctioned with retrospective effect. The
net additional charge will be Rs. 54 per mensem as shown in the abstract at foot of
the statement.

miles from each other and a second vetti is therefore proposed for the group. The Collector is requested to report whether the difficulty cannot be avoided by making the village of Perunkalampundi, which is sufficiently important in point of beriz and population, a separate munsif's charge.

Items Nos. 19 and 20, groups Nos. 28 and 47.—Owing to the transfer of the village of Valaippattu from group No. 47 to group No. 28 (in Board's Proceedings, Mis. No. 3682, dated 15th June 1892), the Collector proposes to transfer to the latter group one of the two vettis attached to the former. The beriz of each of the two groups after the transfer will still exceed Rs. 2,000 and both of them will therefore be entitled to two vettis each in accordance with the prescribed scale. One of the

two vettis sanctioned for group No. 28 should be made to attend to the work of Valaippattu.
