EXPLANATORY REMARKS.

The actuals of 1893-94 were less than the sanctioned estimate for the year by Rs. 52,833. The short expenditure was due to want of energy on the part of some of the Tahsildars and the existence of water till the close of the year in certain tanks proposed to be repaired. Steps have been taken to ensure the full utilization of the grant for the current year. Up to the end of August last, i.e., in 5 months, work to the value of 45 per cent. of the sum to be expended by the Revenue department has been executed. The budget estimate for next year may be fixed at the same amount as for the current year, viz., Rs. 4,50,000.

Order—dated 1st November 1894, No. 759, Revenue.

The estimates are approved and will be transferred to the Financial Department for sanction.
