GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), No. 366, dated 9th October 1895 :—

Read—the following letter from A. E. CASTLESTUART STUART, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue, dated Chengam, 25th September 1895, Ref. on Regr. No. 163-Ver. :—

I have the honour to submit herewith a statement showing the scale of village establishment for Vriddhachalam taluk as sanctioned by the Board in its Proceedings, No. 21, dated 28th January 1890 (Revenue Settlement, &c.), and as it should be modified with reference to the beriz of fasli 1302, in which year the new settlement was introduced into that taluk. The Deputy Commissioner's proposals dealt with in Board's Proceedings, No. 21, dated 28th January 1890, were based on the beriz of fasli 1296. The beriz of both the faslis have been shown in the statement.

2. It will be seen that the pay of monegars and karnams will have to be raised by Rs. 40 each in the case of forty vattams and diminished by Rs. 2 each in the case of two vattams. Forty toties will also have to be newly appointed and the services of two dispensed with. The net additional cost amounts to Rs. 228 per mensem as shown in the abstract at foot of the statement. I request the favour of the Board's sanction to incur this additional charge.

3. Though the number of monegars to be entertained was 180, only 175 were appointed. The other five were additional monegars sanctioned for vattams Nos. 14, 36, 104, 122 and 148. These were not appointed and by mistake the monegars appointed to the principal villages of four of these vattams were paid according to the original scale

proposed by the Deputy Commissioner, viz., Re. 1 each in excess of the scale sanctioned in Board's Proceedings, No. 21, dated 28th January 1890. The over-payments have now been stopped, and the additional monegars ordered to be entertained. The over-payments already made are noted in the margin. As it would not be fair to recover them from the monegars concerned, I request the Board's sanction for the expenditure.
