Madras, 15th. November, 1895.

The Private Secretary

To His Excellency the Governor of Madras,

M A D R A S.

Dear Sir,

We have just started our Madras Branch Office, next to the Madras
Bank Premises, but we start work in this city from the 1st proximo.

The writer who is here for a week, shall be happy to call upon you personally
if you will want him for anything re: the "Williams" typewriter now in use with
you. He will also bring with him to show you one of the latest model Hammond
typewriter which is considered by the American Typewriting world as the best type
writer machine.

We do not wish you to purchase one, but merely wish to show it to you, as it
may lead to our making business with the other Government Departments should they
think at some future date of introducing typewriting in their offices.

Awaiting your esteemed reply at your earliest convenience,

We beg to remain Sir,

Your most obedient servants,
BOMBAY TYPE-WRITING COMPANY,

[Signature]
Managing Propr.

Secretary to Government.
