Proceedings of the Board of Revenue.

(Land Revenue)

Dated 30th September 1895,

No. 4857 Mis:

Read letter from C.J.Weir Esq, Collector of Ganjam to the Secretary to the Commissioners of Land Revenue, Madras, dated 17th August 1895, C.No.1286 acc.

Resolution.

Submitted for the orders of Government.

2. The Board recommends that the existing establishment in the Account branch of the Ganjam Collector's office may be strengthened by the addition of two accountants on Rs 20 and 15 respectively and of an attender on Rs 10 as proposed by the Collector. The Ganjam treasury is classed by the Accountant-General as a heavy one along with those of Vizagapatam, Godavari, Tanjore and Malabar, but the establishment allowed to it is smaller consisting as it does of only 15 Accounts against 25 in Tanjore, 22 in Malabar and 20 in Godavari. In Malabar and in Godavari, remittances are made to the branches of the Madras Bank at Calicut and Cocanada respectively and the Treasury account section in these Collectorates is therefore reduced below that for other districts by one hand. Otherwise the full strength for these districts would be 23 and 21 accountants respectively. In Vizagapatam the establishment consisting of 15 hands was recently strengthened by the addition of four more of whom two are temporary (vide G.O. dated 25th April 1894 No.1625 Revenue). The facts that Ganjam is unhealthy and that efficient men cannot be secured locally when vacancies occur afford additional grounds for granting the extra establishment asked for.

3. The appointment of an attender is a new feature as the Account Branch is not generally given an attender, but it will avoid the entertainment of an additional clerk.

4. The extra expenditure for the current year

year can be met from general savings under Land Revenue.
