Proceedings of the Madras Government.

Read the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture) dated 29th October 1895, Mis No. 5756 on the following letter from the Collector of Coimbatore, dated 12th October 1895, Ref on C No. 5717 of 95 :-
Rev

There is an available balance of Rs 1000/ belonging to the Irrigation Cess of the Chinna Dharapuram Channel in Karur Taluk. The Executive Engineer reports that if this amount is given ^{to} him, he can utilise it for this purpose and the Superintending Engineer accepts the proposal.

2.. I have, therefore, the honor to request sanction for making over the above amount to the D.P.W for resluicing the Channel in accordance with para 5 of G.O. Irrigation, No. 12, dated 20th December 1887, No. 1176 Revenue. I need not enlarge on the importance of the work or its benefits to the ryots; and with Mr De Winton's recent experience in resluicing the Thadapalli Channel, I think it is likely to be carried out with as little friction as is possible.

Resolution.

Submitted to Government with the request that sanction may be accorded in the Financial Department for the execution of the work mentioned in the Collector's letter through the agency of the P.W.D in view to the necessary funds being placed by the Accountant General at the disposal of that Department.

Order thereon, dated 29th November 1895, No. 4833 Mis.

Sanctioned.

The
