The entries in the column of "Present Scale" have been compared with the Registers of this office, and are correct with the exception of the items altered in red-ink. that the appointment of Hospital assistant entered therein is not traceable in the scale of Establishment as recorded in this office registers. But, as in reply to a reference on the point, the Surgeon-General states that this appointment was sanctioned for the 2nd District in G.O. Military No. 3303 dated 7th October 1894 (which does not appear to have been communicated to this office) no alteration has been made in the Disposition Statement.
