R.

Approving and transmitting to the F.D. for sanction and issue of the necessary orders the proposition statement for entertaining an extra establishment for sorting old records in the N. Arcot Colln Office.

PROCEEDINGS OF THE BOARD OF REV :
(LAND REVENUE).

Dated 4th October 1895.

No. 4965 Mis.

READ the following letter from S. H. Wynne Esq., Collector of North Arcot, to the Secretary to the Commissioners of Land Rev: Madras, dated 23rd August 1895, Ref: on Cur: 880 :-
Eng.

With reference to para 7 of Board's Proceedings dated 8th June 1895 No. 2906 Mis., I have the honour to submit herewith a proposition statement in duplicate for the entertainment temporarily for a period of three years, of two clerks on Rs. 20 each and four on Rs. 15 each, to sort the old records in the Huzur record room. This establishment was proposed by my predecessor Mr. Power - vide his letter No. 310 Eng. 16.3.95. But I find that the entertainment of an attender on Rs. 7 in addition to the above establishment is necessary and have therefore included him in the proposition statement.

2. Provision will be made for the whole of the additional establishment proposed to be entertained in the budget for the next official year to be submitted to the Board -- shortly, as the additional expenditure has not been provided for in the current year's budget.

Resolution.

Submitted to Government.

2. In his report on the working of the Disposal Number system in the North Arcot District, dated 1st March 1895, No. 7,

the

the Special Dy. Collector on Record Duty brought to notice the existence of a large mass of old records in the Collector's office, ^{the period prior to the introduction of the} (relating to Disposal Number system) which required sorting, and suggested that a temporary establishment should be employed for the purpose as the ordinary establishment could not complete the work within any reasonable time in addition to its current duties. The Collector concurring with the Dy. Collector as to the necessity for the extra establishment, reported that there were about 3000 bundles of such records to be sorted, containing 800 papers each on an average, or about $2\frac{1}{2}$ millions of papers in all, and recommended that an establishment consisting of 2 clerks on Rs. 20 each and 4 on Rs. 15 each should be employed on the work for three years.

3. Again in his report on the state of the District records for 1894-95, dated 13th May 1895, No. 670 Eng., the Collector drew attention to the matter and remarked that there were 572 dufters in the English branch of the record room and $24\frac{5}{4}$ in the vernacular, requiring to be sorted. He now submits a proposition statement for the establishment required which also includes an attender on Rs. 7 which the Collector considers necessary.

4. Due provision has been made in the Board's budget of charges for 1896-97 and the Board requests that sanction may be accorded by Government for the extra establishment applied for by the Collector.
