SHIPPED FROM ENGLAND PER S.S. DEN OF AIRLIE FOR MADRAS

Date of Sailing 1 NOVEMBER 1895

REGULATIONS for the RECEIPT and EXAMINATION of STORES in INDIA.

1. The Stores are to be examined immediately on their being landed, in the presence of a Committee of Officers or other surveying authority appointed on behalf of the Secretary of State in Council. The columns marked * should be filled up and signed by the surveying authority, with explanatory remarks when there has been damage or short delivery.

2. Each package should be inspected, and if any be received from the vessel in a defective state, or appear to have been tampered with, they should be immediately opened, due notice having first been given to the Master to attend, or to depute some person to do so on his behalf, in order that the amount of any damage, for which the vessel is liable, may be deducted from the freight, in conformity with the undermentioned provision in Clause 13 of the Conditions for Freight and Conveyance of Stores :—

"In the event of any loss being sustained by Government by reason of any injury to the Stores, or of any deficiency in the quantity delivered, not covered by the printed exceptions in the Bill of Lading, the Government may deduct the value of such loss from the portion of freight payable in India, or, if necessary, recover the same from the Owner."

3. All articles not enclosed in packages are held to have been counted or weighed by the Master of the vessel, on shipment, and consequently any loss is chargeable to the Owner.

4. Should any articles appear to have original defects, samples, upon which a judgment may be formed, should in all cases be sent home with the complaint, whether it relate to quality or to pattern.

5. If the packing be defective, or if the contents of a package do not agree with the details entered herein, the Case Note (Form 111), when found in the package, should be returned with the Packing Account. When cloths are short in measure, or hides deficient in quality or weight, the lead seal stamped on the piece should also be returned with the Packing Account.

6. Condemned Stores are not to be disposed of locally at a loss to Government, until a reference has been made to the Secretary of State in Council, unless the Stores are of such a perishable nature as to render it desirable to dispose of them at once to prevent further loss.

7. If any article, not herein described, be received, full particulars thereof should be entered in the Packing Account. If it belong to another Presidency, intimation should immediately be sent to such Presidency.

By order of the Secretary of State in Council.
