31. The raising of the budget provision from
Rs 1600 to Rs 2000 in the revised estimate cannot
be held as sufficient sanction for increased
provision, as Revised Estimate is no sanction.
Specific sanction of Government should
therefore be obtained for the excess
expenditure under Article 158 of the Civil

6th December 1894 from the Accountant-
General on this office contingent bill

The audit slip will be returned
to the Accountant-General with the
following reply entered in it.

Reply.

The Government in their order,
dated 30th November 1894, No. 1045, Financial,
has sanctioned the Revised Estimate for
1894-95, in which the grant for purchase
of country stationery has been raised
from Rs 1600 to Rs 2000. The total grant
for Registration as per revised estimate
does not exceed the original budget
grant.

grant for the year. Hitherto the Government sanction for the revised estimate has been held to be sufficient in cases of this kind, Article 158 of the Civil Account Code being considered to apply only to expenditure not covered by allotments as per revised estimate. In these circumstances, instructions are requested as to whether specific sanction of Government is still considered necessary in the present case.

Sir,

With reference to your reply N^o. 3453 dated the 19th December 1894 to my objection slip N^o. P.A.D.
400 dated 6th idem, I have the honor to observe that the specific sanction of Government is still necessary under Articles 76 and 158 of the Civil Account Code, as the raising of the provision from Rs 1600 to Rs 2000 involves a transfer of allotment from one Major head to another, viz from "12 Registration" to "30 Stationery and Printing".

Statement proposing expenditure for which provision has not been made in the budget for 1894-95 and which cannot be met from anticipated savings under the grant head.

Amount of allotment required.	Major head under which the expenditure will fall.	Explanation as to why no re-appropriation within the budget grant is considered possible.	Major head from which a transfer to meet the charge is ordered.
Rs 600.	30 Stationery and Printing — Stationery purchased in the country.	"Printing at Private Presses" and "Stationery purchased in the country" are the 2 minor heads under budget head 30.	
Rs 400.	Superintendence District charges.	As the amount under the former minor head is only Rs 400, and nothing can be spared out of it, no re-appropriation within the major head 30 is possible. Under head 12 however, the revised estimate is short of the original estimate by Rs 14,000/—

In submitting copies of the correspondence marginally noted, I have the honor to request the sanction of Government for incurring the increased expenditure of Rs 400 for 'Superintendence' and Rs 200 for 'District charges' provided for in the revised estimate for the current year under '30 Stationery and Printing — Stationery purchased in the country', and passed by Government in G.
