Proceedings of the Board of Revenue

Dated 28th January 1895
No. 371 Mis.
Read the following:—

Financial Department
Proceedings of the Madras Government.

Read again Government Order dated 7th November
1894, No. 962-3

Read also the following Proceedings of the Board
of Revenue (Separate Revenue dated 21st September,
12th, 28th, and 29th November 1894, Nos. 4123 4509,
5143, 5147, and 5148 Mis, and 7th and 21st December
1894, Nos. 5373, and 5628 Mis respectively.

Order dated 12th January 1895, No. 27.

Of the officers mentioned in the enclosure to Board
Proceedings, dated 7th December 1894, No. 5373, Messrs.
H. G. Marshall and N. W. Parish appear to be
entitled to exchange compensation allowances, as
although their fathers acquired an Indian domicile
by accepting service under the East India Company
they apparently resumed their English domicile
whilst the sons were still minors.

2. It should be ascertained and reported when the
fathers of Messrs. C. B. Thawee and A. C. Woodhouse
retired to England.

3. The memorials addressed to His Excellency the
Governor General in Council by Messrs. Mainwaring
and Sherman, will be forwarded to the Govern-
ment of India.

4. The remaining officers mentioned in the Board's Proce-
dings read above will be informed that cases similar to
these are now before the Government of India and that
nothing

nothing can be done pending a reply from the Government.

Resolution.

3. With reference to para 2 of the Government Order read above, the Board begs leave to state that Mr Shaw's father retired from Government Service and returned to England in 1872. Mr Shaw first informed the Board that his father came out to India as a private individual when Sir Stephen Parnbold Lushington was Governor of Madras (between 1827 and 1832). He was directed by the Board to report when and in what capacity his father first entered Government Service. In reply he stated that he was unable to furnish definite information, but that he believed his father entered the service as appraiser in the Sea Customs at Madras, between 1840 and 1850. In the absence of definite information it was presumed that at the time of Mr Shaw's birth (1843) his father was in the service of the Honorable East India Company, and his claim was disallowed by the Board. He now reports that at the time of his birth his father had not entered the service of the Honorable East India Company, and submits for reference a copy of the Accountant General's letter dated 22nd December 1894, in which it is stated that Mr L. B. Shaw first entered service as appraiser of Sea Customs, Madras on the 16th November 1844. It

is now clear that at the time of Mr Shaw's birth his father had not acquired an Indian domicile by reason of service under the Honorable East India Company. Mr Shaw's claim to Exchange Compensation Allowance will therefore be admitted by the Board.

4. Mr A. C. Woodhouse will be directed to report at an early date when his father retired from Government Service and proceeded to England.

With reference to para
3 of the Board's Proceedings, it
is observed that although Mr.
G. B. Shawee may not have
nuketed the office of the East
India Company and thus
acquired an Indian domicile
before his son's birth, the fact
that he did so when the son
was one year old would
under § 14 of Act I of 1865
make the son's domicile of
origin India and the son's
domicile would remain Indian
unless ^{author} the father sweeted himself
of his acquired domicile before
the son attained his majority
or the son acquired a new
domicile. Further enquiries
should be made before Mr.
G. B. Shawee is admitted to
the Exchange Compⁿ. Allowance
