ORDER, 6 Feb 1895 No. 123

The attention of the Military Dept will be drawn to Financial G.Os. No. 1159 dated 26th December 1894 No. 30, dated 13th January 1895.

1. The Quartermaster-General in his letter of the 1st January 1895, No. 4 M. stated that the amount to be spent on the proposed Detention Hospital next year would depend on the time required to prepare detailed estimates and obtain sanction to them, and that the Chief Engineer was of opinion that not more than 25,000 or 30,000 Rs. could be expended during 1895-96. The amount now proposed to be provided (Rs. 1,36,828) in the Military estimates is therefore excessive.

2. The Government is anxious that the money should not be locked up and is prepared to allot the funds from Provincial revenues

revised up to the extent they are
actually required.
