FOR ORDERS.

The D.P.I. proposes increased expenditure in 47 Govt Girls' schools. The increase is rendered necessary by the growth of the schools which necessitates the employment of additional staff and better qualified teachers.

2. The total monthly cost of the present establishment of the schools is Rs 1159-8-0; that of the proposed establishment Rs 1379-8-0. Thus the additional cost which these proposals involve is Rs 220 a month. There is provision for this increased charge in the budget for 94-95.

— may these proposals be approved?

3. The Director should be the best judge of the changes required in each particular school. You! is not in possession of information to enable it to criticize any particular proposal. The necessity for the several recommendations depends on the strength of the several schools. There appears no option in the matter & the proposals must presumably be approved.

ACCOUNTANT GENERAL'S OFFICE 12 JAN 95 MADRAS

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 9th January 1895.

No. 169

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE,

Thro: the Accountant General.

SIR,

I have the honour to request that you will be good enough to obtain the sanction of Government, with effect from the 1st January 1895, for increased expenditure on certain Government Girls' schools in the Northern, Central and Southern Circles detailed in the enclosed Proposition statement in duplicate.

2. When the Board schools were taken over in 1891, the old scale of charges was recommended and continued subject to revision after the inspection of the Mrs. Brandes' Circles

Govt. Girls' schools

provision was made in the Budget Estimates for 1892/93 and 1893/94, but until the schools assumed a permanent character, it was not considered advisable to apply for the increased scale of establishment. These schools have been working for the last four years, and they now show signs of stability. The strict enforcement of the Madras Educational Rules necessitates the employment of certificated teachers, whose services cannot be secured for the present poor pay.

3. In the case of other schools — included in the Proposition statement the present staff is quite inadequate for the strength and the number of to be taught,

be seen from the accompanying statement. Additional servants are also necessary not only to secure better attendance, but to keep the premises clean. To enable the schools to satisfy the conditions of recognition, a competent staff is indispensable, from 1 January 1895.

4. The additional expenditure has been provided for in the current years' Budget. Though in the present state of the finances I am most reluctant to make proposals for increased expenditure of any kind, I am forced to make the recommendation, as, otherwise, many of these schools will have to be closed owing to their inability to satisfy the Educational Rules.

5. I have always regarded as a

Govt. Girls' schools

management of such a large number of girls' schools all at once. But having taken them over it is necessary in the interests of female education to provide for them more especially as they are in an improving condition. Further to close them would have the appearance of a breach of faith with the Local Boards from whom the schools were taken over.

I have the honour to be,
Sir,
Your most obedient servant,
D Brennan
Director of Public Instruction.
