GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Accommodation for Troops—European.

Read the following papers:—

No. 109. Telegram from the Officiating Secretary to the Government of Madras, Military Department, to the Secretary to the Government of India, Military Department, Calcutta; dated Fort St. George, 8th January 1895, No. 36.

Please wire decision arrived at on correspondence ending my 7426, 30th November regarding site new detention hospital.

No. 110. Telegram from the Officiating Secretary to the Government of Madras, Military Department, to the Secretary to the Government of India, Military Department, Calcutta; dated Fort St. George, 31st January, 1895, No. 577.

My 36 dated 8th January. Please say when decision may be expected on my 7426, 30th November regarding site new detention hospital. Matter urgent as many questions in Civil department hinge on this decision.

No. 111. Telegram from the Secretary to the Government of India, Military Department, to the Officiating Secretary to the Government of Madras, Military Department; dated Calcutta, 2nd February 1895, No. 617-D.

Your 7426, 30th November last. Scheme for transfer of present station hospital at Madras to Civil department and future treatment of sick of garrison Fort St. George at proposed detention hospital will be Imperial Military works building. It is proposed to provide Rs. 1,36,828 in Imperial Military works estimates to meet expenditure on this account corresponding amount being recovered from Provincial funds through land revenue head. Do you agree? Wire reply.

No. 644.

Referred to the Financial Department with advertence to Proceedings of Government (Military) No. 7425, dated 30th November 1894.

(By order.)

FORT ST. GEORGE,
4th February 1895.

To the Financial Department.

(Signed)

D. J. S. McLEOD, Colonel,
Offg. Secretary to Government.

No. 112.

No. 123, Financial.

Order.—The attention of the Military Department will be drawn to Financial G.Os. No. 1159, dated 26th December 1894 and No. 30, dated 12th January 1895.

2. The Quarter Master General, in his letter of the 1st January 1895, No. 4-M.W., stated that the amount to be spent on the proposed detention hospital next year would depend on the time required to prepare detailed estimates and obtain

sanction to them, and that the Chief Engineer was of opinion that not more than Rs. 25,000 or 30,000 could be expended during 1895-96. The amount now proposed to be provided (Rs. 1,36,828) in the Military estimates is therefore excessive.

3. The Government is anxious that the money should not be locked up and is prepared to allot the funds from Provincial revenues up to the extent they are actually required.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

6th February 1895.

To the Military Department, with enclosure.

No. 113. Telegram to the Secretary to the Government of India, Military Department, Calcutta; dated Fort St. George, 9th February 1895, No. 747.

Your 617-D. No objection amount being recovered from Provincial funds through land revenue, provided sum demanded in any one year is limited to estimated actual expenditure of that year so that no money may be locked up unnecessarily. Rupees 30,000 probably required for 1895-96. Please wire approval Government India to scheme generally and to site selected in order that plans and estimates may be proceeded with and Civil department may make its arrangements accordingly.

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 13th February 1895.

No. 669 His

Read the following letter from Mr. C. B. Shawle
Assistant Commissioner, on leave, dated 11th

February 1895:—

" In reply to Board's proceedings No. 605 His. of 9th instant I have the honor to return duly filled up the accompanying form of questions.

On resigning the East India Company's service my father returned to England and after remaining there, for a year or two I believe, he returned to this country and was engaged in trade until he entered the service of the Crown in 1860.

I was at school in England during most of the time and again after 1860

I beg to be excused for replying on this paper; but I have no other. I have drawn the allowance."

Resolution Submitted to Government with reference to Government order, dated 28th January 1895 No 371 Financial.

2. Although Mr. Shaw's father acquired a new domicile, India, by entering the Honorable East India Company's Service in 1844, the Board is of opinion that he should be considered to have given up that domicile and to have re-acquired an English domicile on his resigning in 1853 his appointment under that Company and returning to England. At that time Mr. Shaw was a minor, 10 years old, and his domicile followed

followed that of his father.

3. Neither Mr. Shaw nor his father can be considered to have subsequently taken up his fixed habitation in India. The Board is therefore of opinion that Mr. Shaw is entitled to exchange compensation allowance.
