FINANCIAL DEPARTMENT.

READ—the following paper :—

G.O., dated 12th February 1895, No. 359-A.W., Public Works.

Read—the following papers :—

From the Government of India, dated 30th January 1895, No. 19-A.C.W.:—

With reference to your letter No. 37-W., dated 9th January 1895, I am directed to invite attention to the figures given below and to observe that the revised estimate of revenue from Provincial and Incorporated Local Civil Works appears to have been placed at too high a figure :—

	Provincial.	Incorporated. Local.
	RS.	RS.
Revised estimate, 1894-95	1,60,000	16,000
Probable revenue to end of January 1895 as per form D for 20th January 1895	84,000	5,000
Balance to be realized in February and March ..	76,000	11,000

2. I am to request that the revised estimate may be reconsidered and that the Government of India may be informed at an early date whether any reduction is desirable.

3. I am also to invite attention to the estimate of revenue—XXXII. Civil Works, Provincial and Incorporated Local—expected to be realised during 1895-96, and to request that the Government of India may be informed of the reason for the anticipated increase over the budget estimate for 1894-95.

Office-note from the Examiner, Public Works Accounts, No. 428-C., dated 7th February 1895.

Your office-note No. 450-C., dated 6th February 1895.

The amounts of the revised estimate given in my office-note No. 4750-D.B., dated 3rd December 1894, were based upon the actuals of the first six months of the current official year and those of the corresponding period in the three preceding years; but they may be reduced to Rs. 1,25,000 and Rs. 11,000, respectively, for Provincial and Incorporated Local Civil Works in consideration of the actuals for the first nine months of the year and those for the corresponding period of the preceding three years.

2. A statement showing how the figures have been arrived at is enclosed.

3. For the estimate for 1895-96 under Incorporated Local it will perhaps be advisable to take a four years' average and set the figure at Rs. 7,500.

Office-note from the same officer, No. 454-D.B., dated 9th February 1895.

The estimate for 1895-96 under XXXII. Civil Works, Provincial, may be fixed at the figure given for the revised estimate, viz., Rs. 1,25,000.
