With reference to your communication No 57 of the 2<sup>nd</sup> inst, communicating the G. O. granting the Society a moiety of subscriptions up to Rs 100 per annum, we have the honor to request that you will be good enough to enquire if the words "per annum" are a clerical error for "per mensem".

We ask this, as our monthly voluntary subscriptions exceed Rs 170, and as Govt<sup>y</sup> already grants a moiety of subscriptions up to Rs 1000 per mensem for Madras. We beg to point out that our heaviest item of expense is not "vagrants", but the housing in the Home of some 15 poor Widows and children, who were found starving in the Bellary Bazaars. These do not come under the head of "vagrants", as they have existed for years in the Bazaars, and without this Society must again be cast out to gain a precarious living by begging. Without a more material help from Govt<sup>y</sup> than Rs 100 per annum, we do not see how the Society can have a long continuance.

We have the honor to be

SIR.

In November last I had the honor to forward to Government for favourable Consideration the prayer of the newly formed Friend-in-need Society of Bellary for a grant in aid. The Society represented that subscription amounting to Rs 120 had already been promised; and that operations could not be carried on under Rs. 180 or 200 per mensem. And in Government order Financial 82 <sup>28<sup>th</sup> January 1895</sup> Government were pleased on certain Conditions to grant a moiety of subscription up to a maximum of Rs. 100 per annum.

2. I now beg permission to forward a letter from the Society, requesting me to enquire whether the words per annum

annum are a clerical error for per  
mensum. While I believe there is no  
ground for this supposition, I fancy  
that the society did not make its  
position clear to Government; and that  
if Government had known that  
the residents in Bellary had found  
it necessary to subscribe so much  
as Rs 120 per mensum, Government  
would not have limited its grant  
to Rs 100 per annum.

3. I therefore have little hesitation  
in asking Government to reconsider  
their order, and to give a grant in  
aid (equal to a moiety of the  
subscriptions) up to a maximum  
of Rs 60 per mensum; on the same  
condition as before. More than this  
is in my opinion not required and  
less I conceive Government will  
not wish to grant, now that the  
position of the Society is made  
plain.

I have the honour to be  
Sir

FOR ORDERS. with reference to the notes in  
G.O. of 28.1.95, N. 82. The Ootacamund  
Society gets a grant of Rs 300. per  
annum. Its expenses in affording  
relief to vagrants must be greater  
than those in Bellary as <sup>the cost</sup> ~~expenses~~  
of getting paupers down the ghats  
<sup>has</sup> ~~have~~ to be met. The Ootacamund  
Society always ~~commenced~~  
~~beforehand~~ meets its  
expenses + ~~has~~ has a balance in  
hand every year, it is understood.  
Inquiries are being instituted  
in Financial as to the financial  
position of the institutions  
which receive grants from Govt.  
The last enquiry was made in  
1887 [ G.O. of 10. May 1887, N.  
589-91 ]. It is thought that  
some will be found to be  
able to get on with a diminished  
grant. Meanwhile it is submitted  
that the Bellary grant should  
not be fixed at a higher figure  
than Rs 250. per annum.  
CS. They might be submitted later  
25.2.95 N. 300 a month. Bellary is

 Orissa is a large place in the

12 Feb 95.

My dear Carr,

Not long ago I forwarded to you an application from a newly started Friends in Need Society here for a grant in aid; public subscriptions being assured for Rs. 120 a month.

---

For I have given Rs. 100

6/

a year as a maximum  
grant under certain con-  
ditions.

The Society now want  
to write to you to ask  
whether the <sup>annum</sup> ~~per mensem~~  
is not a <sup>mistake for</sup> ~~great~~ per mensem;

if they bring forward the  
analogy of the grant in  
Madras which bears a  
large proportion to the  
public subscriptions.

2  
I have told them I do  
not think it proper to  
put the question officially;  
but I consented to write  
to you to find out.

I do not wish you to  
trouble Honble Members  
or the Chief Secretary;  
but I shall be obliged if  
you will look into the  
papers & see whether  
there is a possibility  
of mistake. If there

is not, I shall tell the  
Society that they must  
own & bear their  
disappointment.

Yours Sincerely

H. Tremenheere.
