GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following letter from the Acting Chief Secretary to the Government of Madras, to the Secretary to the Government of India, Finance and Commerce Department, dated 23rd January 1895, No. 63:—

I am directed to request that this Government may in future be favored with copies of the budget notes relating to this Presidency, as, in the absence of previous information in regard to alterations in the figures of the civil estimates, difficulty is experienced in preparing the details of the financial statement which it is customary to lay before the Legislative Council as early as possible after the budget has been passed by the Government of India.

READ—also the following paper:—

From S. JACOB, Esq., Officiating Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Calcutta, the 23rd February 1895, No. 982 A.

I am directed to acknowledge the receipt of your letter No. 63, Financial, dated the 23rd January 1895, requesting that copies of the budget notes relating to the Madras Presidency may, in future, be supplied to the Government of Madras.

2. In reply I am to say that the budget notes are confidential office notes of the Financial Secretariat of the Government of India, and that the Accountant-General receives a copy of them only by reason of his confidential relations to this office. Under these circumstances it is not possible to place them at the disposal of a Local Government even unofficially. But as there is no objection to the Accountant-General making the fullest use of the budget notes for the purposes of any information required of him by the Local Government, His Excellency the Governor-General in Council trusts that the objection to communicating the notes themselves will not be found to be a real inconvenience to the Government of Madras.

Copy forwarded to the Accountant-General, Madras.

ORDER—dated 7th March 1895, No. 215, Financial.

Recorded.

2. With reference to the concluding portion of paragraph 2, the Accountant-General will be requested to intimate to this Government all alterations in the revised and budget estimates carried out in the budget notes immediately they have been decided upon, specifying both the major and the minor heads affected, with explanations *where necessary*, this information being required for the preparation of the financial statement.
