Your office note No. 872 C. dated 7th

March 1895.

As it appears that the Revenue Inspector, whom it is proposed to employ for a period of 3 months will, in reality be under the orders of the Collector though nominally working under the Executive Engineer, and will moreover, not be a Public Works Disburser, the cost of his pay for the period in question should apparently be borne by the Civil Department under the ruling in Civil Account Code, volume I, chapter 7, paragraph 104.
