Sir,

Received

I have the honor to bring to the notice of Government that in my stationery account for 1895-96 I indicated for Rs 15-10-3 to match H. B. Grigg laid note paper 24x12 and 1920 and to match similar paper 24x12 size but that the Superintendent of Stationery has disallowed these covers explaining that they "provided for supply to certain particular Departments only as Hospitals." According to the price quoted in the stationery rate the value of these covers comes to Rs 15-10-3 and Rs 7-6-5 respectively per 1000 but experience has shown that when locally made they cost more. Without covers the note paper is hardly of any use. In fact when I first came to Travancore I had to use my own stationery for D.O. correspondence owing to the want of suitable covers. I beg therefore to request that Government will be pleased to authorize the Superintendent to pass my indent for the covers. From the Superintendent's explanation it appears that Hospitals are now supplied with such covers but I beg to submit that an office like mine must at least have a good claim for such supply as the hospitals.

I have the honor to be
